

EPISCOPAL CAMPS AND CONFERENCE CENTERS, INC.

We hope you will join us for
Episcopal Camps & Conference Centers' 2018 Annual Conference
at Camp Capers in Waring, Texas, January 21-26.

ECCC is a network of 86 sites and 100+ programs of camping and retreat ministries across the United States. Our camps and centers range from day camps to wilderness trips, with everything in between. This annual event is expected to draw 100-125 participants, with at least 45 camps and conference represented.

This is the first time we have ever welcomed exhibitors at this conference, making it a particularly unique and valuable opportunity to make contact with camp directors, staff members, and board members.

The exhibit hall gives your company or organization an active part in the conference, while sponsorship opportunities allow you to participate without even traveling to Texas.

Exhibit Hall

The exhibit hall will be open from Monday, January 22 (10am) through Wednesday, January 24 (9am). This includes unopposed exhibit hall hours, a dessert reception, and a snack reception. We have room for **15 vendors** in our exhibit spaces. Since the number of companies and organizations involved is small, this will be an intimate atmosphere to make great connections with the participants.

All exhibitors receive the following:

- Pre-conference mention in an email to participants, including logo and 100-word description
- Inclusion on the exhibitor page of the conference guide, including logo, 100-word description, and URL.

Each exhibitor will also receive two (2) of the following four (4) opportunities with your booth:

1. An opportunity to email the membership (email sent by ECCC);
2. Offer an informal “table talk” discussion during the conference;
3. Speak for 5 minutes before a plenary session;
4. Have a PowerPoint slide during the announcements at breakfast each morning

The above is included in every Exhibit Hall package for \$500, and you have the option of adding an additional sponsorship (Options are listed below.). The above options are available on a first-come, first-served basis.

Here is what is provided to every exhibitor:

- One six-foot table, two chairs, electricity access, and wireless internet access will be provided. Shared trash and recycling bins will be available nearby.
- Meals on Exhibit Hall days.
- The Exhibit Hall will be in the Dining Hall, which is a frequently used space, both for meals, community time, and workshops. Conference participants will be very familiar with this space.
- There are two opportunities to sponsor receptions in the Exhibit Hall.

Exhibitors can arrive to set up their displays on Sunday, January 21 at 7pm, and no later than Monday, January 22, at 8am. All display items are to be carried in by your staff and can be shipped to the site, arriving no sooner than Friday, January 19. Details will be sent to you in your confirmation packet.

Sponsorship Opportunities

Whether you decide to attend this event or not, your company or organization can have a presence in front of our attendees, as a sponsor.
