

EPISCOPAL CAMPS AND CONFERENCE CENTERS, INC.

Dear Colleagues:

Sponsorship opportunities are now available for Episcopal Camps & Conference Centers' (ECCC) 31st Annual Conference at Waycross in Morgantown, Indiana in January 2019.

A network of 90 sites and 100+ programs of camping and retreat ministries, ECCC camps and centers range from day camps to wilderness trips, and everything in between. (You can learn about Episcopal Camps and Conference Centers, our affiliated members, and the Annual Conference at www.episcopalccc.org.)

This is a valuable opportunity to make contact with over 100 conference center and camp directors, staff members, and decision-makers, representing 50+ sites and programs. You are invited to exhibit at the event with unique face-to-face engagement opportunities, or to sponsor the event without attending.

The Exhibit Hall will be open for one-day of the conference, making it a time-effective way to meet over one hundred new customers. Exhibitors can arrive to set up their displays on Monday, January 28 between 2-5pm. All display items are to be carried in by your staff and can be shipped to the site, arriving no sooner than Thursday, January 24.

Please complete the form at the end of the packet to become an exhibitor and/or sponsor. Your opportunities will be reserved once full payment has been received, which can be done online or via check, made payable to Episcopal Camps and Conference Centers, to P.O. Box 440, Camp Meeker, CA 95419.

If you have any questions about the conference, the exhibit hall, or the sponsorship opportunities, please contact Ashley Graham-Wilcox: ashley@episcopalccc.org or 617/501.7442 (Please note that while this is an east coast phone number, its owner resides in Pacific time.).

Thank you for considering these opportunities for your company or organization.

This will be an intimate atmosphere to make great connections with the participants. We have limited room for vendors, and sold out last year, the first year we’ve allowed vendors at the event.

All exhibitors receive the following:

- # Pre-conference mention in an email to participants, including logo and 100-word description
- # Inclusion on the exhibitor page of the conference guide, including logo, 100-word description, and website address.
- # Logo and information of your choice on display in a PowerPoint during one conference meal.
- # Opportunity to include one piece of collateral and one piece of swag in the conference bags handed out to each attendee.

You can also choose to add-on additional sponsorship opportunities, which are listed on the next page. Several add-on opportunities are available to organizations interested in having a presence at the event without sending a representative.

Every on-site exhibitor receives:

- # One six-foot table with tablecloth, two chairs, electricity access, and wireless internet access;
