Mock Code Hearings

12:00 PM September 13, 2018 Ramada Inn -Hagerstown, MD

- Gain years of ICC Conference experience in a one-day training class
- Enhance your professional reputation with knowledge of the ICC Code Development Process
- Be a contributor instead of an observer at the next code development hearing
- Volunteer with confidence for Committee Service

Join us as ICC Region VII hosts a Code Development Training Workshop

- Watch, learn and practice in a safe environment with ICC experts advising
 - ICC Staff, Moderators in attendance
- Switch roles and learn committee duties as well as testimony
- Watch testimony and committee activity to learn the do's and don't's for your role(s)
- Master the ICC - CP28 including the following vital code development skills:
 - Roles of each participant
 - Moderator, Chair, Vice Chair, Committee Members, Proponent, Opponent
 - Testimony for or against
 - Rebuttal and re-rebuttal
 - New information on rebuttal-what this means
 - Points of order
 - Move quickly to microphone
 - Modification from the floor
 - In order and out of order
 - Committee questioning: Arguments from committee
 - Closing the hearing
 - Committee discussion
 - Committee decision as recommendation
 - Floor assembly action

Do all this at no cost AND join your fellow ICC Region VII members for a day of professional enrichment, networking and camaraderie. RSVP required for logistics. Please direct questions to Keith Winston at: keith.winston@dc.gov. If you can attend Thursday afternoon September 13th from 12:00 to 5:00 PM, please fill out this short form: <https://goo.gl/k3bbyu>
