

ffiliates For Women's Health

Dear Patient,

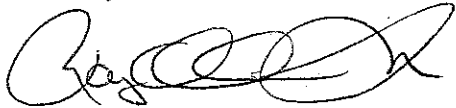

As of August 1, 2010, Affiliates for Women's Health physicians will resign from the medical staff at St. Joseph's Hospital. We will no longer admit to St. Joseph's hospital and will not provide medical care for any of our patients presenting to Labor and Delivery or the Emergency Room. If ambulance transport to a hospital is required, a request to transport to College Station Medical Center can be made.

Sincerely,

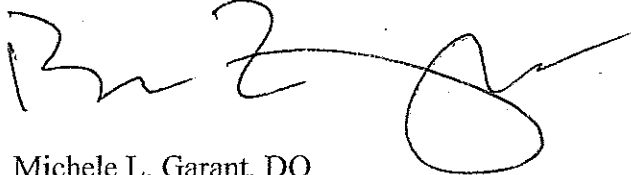

Charles R. Anderson, MD

Randy W. Smith, MD

Ben S. Zivney, MD

Michele L. Garant, DO
