

## South Jersey Chorus Auditions - Parking & Arrival

Woodstown High School | 140 East Avenue | Woodstown, NJ 08098

- **Car parking** is available in the front loop, to the left of the building and behind the building. Note that there is a one-way loop (**blue arrows**) around the school. Do not park in the *no parking* area of the loop or on the grass. Parking is also available along neighborhood streets. Please note local parking signs and be sure to use crosswalks.
- **Bus drop off and pick up** is in the main front loop. Note that this loop is one-way (**red arrows**).
  - **After drop off, buses must park off-site.** Parking is available at the William Roper Early Childhood Learning Center (ECLC), 211 East Lake Road, Pilesgrove, NJ 08098.
  - The ECLC can be found by making a right out of the high school and then making a right at the first light (near bowling alley and gas station) onto East Lake Road. The ECLC is on the right.
- **Student arrival:** All students must report first to registration, near the front of the high school.

**Junior High: Room 108      Senior High: Room 104**

Students arriving at the main entrance will be greeted by student helpers that will direct them where to go. From registration, students will be directed how to proceed through the audition.
- **Parent/chaperone arrival:** Parents and chaperones are asked to wait in the cafeteria for their students to finish auditions. This is also a good place for students to gather after they have finished auditions. Concession sales are available for purchase.
