Don Millward #ocdsb #ASET2015

# Goals for today

1-Share and join list of provincial SEA contacts to facilitate movement of equipment and to verify SEA approval.

2-Make contacts with other individuals from similar sized boards to problem solve

3-Discuss pros/cons of what our board has opted to do regarding SEA computers.

Learning Support Consultant AT  
Ottawa Carleton District School Board  
613-596-8211 ext. 8111  
613-721-9471 (fax)

# SEA contact list

Google can be shared or sent to you as an attachment.

You can provide your info by:

- email to me
- provide business card

# Contact with other boards

- Email
- Google Docs
- Google hangouts/chats
- phone

# Topics

- SEA issues-finances,
- OSSLT
- Google boards
- Office 360

# Our boards does:

- We **do not** have SEA equipment follow the students, we provide level of SEA equipment at each school based on numbers
- BLT creates images for laptops in house
- BLT prepare computer equipment for distribution

# SEA contact list

I am joined today by Rosemary Kitts the Project Manager for eSystems Integration.
