EARLY CARE AND EDUCATION CENTER

Volume 1, Issue 1

June 2018

Summer is Coming!

During the month of May we learned about **The Neighborhood**: Community Helpers and Transportation. We enjoyed taking field trips to our local helpers Ernie at The Village Trader and Rosemarie at BeanoVino. We want to thank our wonderful parent volunteers, Mr. Allen, for dedicating much of his time to show us his ambulance and teach us about his occupation as a paramedic, Mr. Spina for explaining his position as a fire fighter, Officer Gunn for sharing his helpful job of park ranger, Sergeant Inglehart for telling us about his work as a police officer, and Commander Pugh a navy officer who showed us pictures from the cockpit and so many planes! We also had nurse Kim teach us about her important community helper job as a nurse. Thank you to all of our wonderful parents who made this month possible!

Our theme for June is **The Ocean**. We will explore the animals, plants, and other creatures that live in it. We will have an exciting visit from Captain Carl and his sea animals on June 12. Please send \$10 for this memorable event. Children who do not regularly attend

school on Tuesdays are welcome to join us that day with a parent. The cost is \$10 per child and parents are free.

Although the weather is getting warmer, please remember to send your child to school in **safe shoes** for the playground. Crocs, flip flops, and other sandals are not safe to run in on our playground. Always remember to **apply sunscreen before school**.

This year we will be having a preschool graduation ceremony for our students who are going off to Kindergarten or Transitional Kindergarten. Ms. Tanya, Ms. Maira, Ms. Jill, Ms. Laura & Ms. Lynda will help these students to get them ready for this special event. Graduation takes place at 10am in the Community Room on June 16. Parents of the graduates should arrive at school at 9:30am on Saturday. We will open the Community Room doors at 9:30am as well.

Please remember that our school is closed beginning June 29 through July 6, 2018.

NEW SCHOOL YEAR
BEGINS!

We will be back July 9th to start our summer schedule. All children will visit their new teachers and classroom prior to moving into the new class.

Finally, we also want to wish all of our super dads a fantastic Fathers' Day!

Our Fathers

Our fathers toil with hands and heart
To make our lives complete
They quietly brave the winter cold
Endure the summer heat.

Our fathers' lives are busy but
There's always time for us.
They boldly face the ups and downs
And seldom ever fuss.

Our fathers are the greatest dads,
We know you know this too
But thank you for the chance to share
The love of them with you

It's Yearbook Time!

Yearbooks are on sale! This year Newbury Oaks Preschool's yearbook is better than ever! The yearbook includes photos of our students learning, working, and playing here at school. Thank you to all parents who participated by sharing photos. We would especially like to thank Ms. Chris for putting the yearbook together for us. It is a nice keepsake to remember these precious times. Our school yearbook includes our class photos from the fall and spring as well as staff photos. The cost is \$35 per book.

End of School Year

As the school year winds down we must say goodbye to our students who are leaving us for Kindergarten, or moving to another area. We will miss you all and hope you stay in contact as you grow! Our staff loves working with your children and being able to share this important time with your family. We want to thank **Ella and The Lyftogt Family** for hosting a fun-filled End of year Party on Saturday, June 16. Please see the flyer for details.

Captain Carl's Mobile Tide Pool

Captain Carl is bringing his sea animals to visit our school on June 12. The cost for this activity is \$10 per child.

Please send in your \$10 by June 8th. Any

child who would like to participate in the hands-on presentation is welcome to join us that day.

Children who do not regularly attend on Tuesdays must be accompanied by an adult.
