Getting to Know You

Welcome to the start of a new school year! We are thrilled you have chosen Newbury Oaks Preschool for your child. We are excited to spend many fun days filled with enriching activities with all of our students. Please feel free to contact the office (Kristina, Bonnie, Tanya, or Chris) with any questions or concerns you may have, preschool@newburyoaks.com or 805-376-5500.

Enrichment classes will begin this month starting with Soccer on Mondays beginning September 10, Cooking on Tuesdays beginning September 11, Spanish on Wednesdays beginning September 12, and Gymnastics on Friday, September 14. Children who would like to participate in Soccer & Gymnastics will also need a completed liability waiver from Soccer Champs and/or Victory. More details regarding Enrichment Classes are listed on

page two.

Our theme for the month of September is "Getting to Know You". We will learn about our new friends in our class. Each child will be working toward positively describing their physical characteristics and abilities. We will be sending home a family questionnaire to learn a little more about your family and your traditions.

Parents, please remember children should always be dressed for an active, messy day at school. Comfortable clothing that can get soiled is essential for school attire. Slip on shoes, flip-flops, or sandals can be dangerous and are inappropriate for active play. Tennis shoes/sneakers and socks are recommended and must be worn while at school. Please apply sunscreen.

Ninth Annual Fall Family Day

Newbury Oaks Preschool is having our ninth annual "Fall Family Day" on October 13th. It will be held on Saturday from 10-11AM so moms, dads, sisters, and brothers of all ages can join us. We will be able to spend time in your child's classroom and see some of the artwork and projects he/she has been creating. Each

classroom will have an engaging project to complete. Snacks and beverages from our neighboring businesses will be available. Family Day is a wonderful way to meet our families. We hope to see you all there!

Visit our Website

Please visit our school website! It is updated monthly. You can find our school calendar with a list of school holidays/closures as well as past PDF files of school newsletters. Our staff's photos, education, and experience are also posted on the site! www.newburyoaks.com

Day at the Farm

We are planning an optional field trip to Underwood Family Farms. Our day at the farm is Wednesday, October 10th. There will be a hayride and pumpkin picking. If you are able, please plan on spending the morning with our teachers and friends at the farm! The cost is \$6 per person. Details regarding payment and arrival times will be sent out as a separate flyer.

Please note: Newbury Oaks is closed on 10/10 for the field trip and a teacher in service.

Home/School Connection

At Newbury Oaks Preschool we provide a safe and comfortable environment for our students. We do what we can to help children identify school as a fun place where they fit in and belong. If you have not already done so, please send in a few copies of family photos. Teachers will make a collage for each child to hang in the classroom. Children enjoy naming the people in the photograph and sharing their loved ones with their friends and teachers. Also, remember to check your nutshell. Your child's teacher has listed the activities and topics learned throughout the day.

It's a Stay at Home Day!

If your child is vomiting, home is best.

He should also skip school with a rash on his chest,

Or a rash on the rest, if he's got nits or lice,

'cause to send him to school really wouldn't be nice.

If he's running a temp of a hundred degrees,

And his glands feel like lumps when you give him a squeeze,

When he's got a sore throat,

When his eyes start to drain,

If he's got diarrhea or stomach ache pain,

If he tells you, "Oh Mommy, I just don't feel good!"

Then please keep him home like you know that you should.

NOTICE TO ALL PARENTS:

The State of California Department of Social Services sets certain standards for the safety and well being of all children. The current requirements from this agency refer directly to the Sign-In/Out sheets that are on the clipboards outside each classroom. The state is requiring that the adult signing the child in or out do so by signing their full legal name and enter the time of day the child is accepted into the school and the time of day the child is released from the school.

These sheets are legal documents and are the only required record of the children placed in our care for the day. It is **EXTREMELY** important that you sign your child in and out. In case of an emergency and evacuation, these clipboards are our only means of knowing which children are attending school or if anyone has been picked up early.

The Department of Social Services collects a \$100.00 fine per unsigned child in a facility. In the event that we receive such fines due to lack of signatures, we will have to collect the fine from the appropriate families. Please help us keep our children safe by signing them in an out correctly. Thank you for your continuous help in this matter.
