

St Albans Music Centre

Suzuki

Baby & Parent

Music Group

Early Childhood Education

Come and enjoy a fun musical experience built to develop your child's social, musical and sensory abilities. Using rhythm, action songs, nursery rhymes and percussion instruments they will enjoy learning new skills whilst making new friends.

This stand alone class, based on the Mother Tongue philosophy of Dr Suzuki, will help build your child's confidence out in the world and through to starting school.

Week by week you will see them blossom and grow within this nurturing environment.

Led by: Lois Ireland

Suzuki Baby & Parent Group
