The North Royalton Stadium Foundation hosted an exciting press conference on Friday, November 19 at 9:30 am at the North Royalton City Schools stadium. **The Foundation and the North Royalton City School District announced that Serpentini Chevrolet has purchased the naming rights to the stadium for \$100,000. The field will still be named Gibson Field, after former North Royalton City School's principal Chuck Gibson.**

"In 1997, the North Royalton field was named in Chuck Gibson's honor. Serpentini Chevrolet Stadium, home of Gibson Field, has moved closer to the goal of being the host to more than just football. Chuck was and is a great supporter of the three A's: Academics, Athletics, and Arts all of which are part of the stadium plan," said Ed Vittardi, Superintendent, North Royalton City Schools. "Now, with Bob Serpentini and Serpentini Chevrolet's commitment to our stadium project, we are one step closer to being the host to more than 200 events a year. Soccer will again return to the field, along with track meets, band competitions, youth athletics, community events, and so much more."

At the press conference, foundation chairperson Larry Vasil thanked the contributors to the project thus far which has raised in contributions more than \$500,000. "What a successful five months it has been," said Vasil. "Our plan is aggressive, but our community is strong and supportive. That is evident with the large amount of donations that we have received."

"This is very exciting news for the entire North Royalton school community as the North Royalton Stadium Foundation approaches the exciting possibilities of our "new" community stadium," said Vittardi.
