

URGENT RECALL: MH2 Mini-Hammerhead

Date: 1999-09-01

Ideations Design, Inc. of Seattle, Washington has recalled all model number MH2 Mini-Hammerhead subsurface signaling devices because of defective springs.

The recall affects only units which are compatible with the Aqualung Air MIC, Zeagle Octo+, Seaquest Airsource, Oceanic Air XS, and Beuchat Venturi have been recalled.

Other Mini-Hammerheads are not affected. Contact Ideations Design or the facility where you bought the equipment for more details.
