

SERVICE PROJECTS
IDEAS & RESOURCES

The Diocese of Phoenix “Gift From on High” Confirmation & First Communion Policy requires that sacramental preparation includes a service component:

“Service is encouraged to be part of the preparation experience as it is a visible sign of lifelong faith. Candidates should serve in ways meaningful to them that enable them to use their talents and abilities. Parents are to guide and nurture their candidate into a vision of lifelong service following the example of Christ.”

Below are some ideas assembled by the St. Theresa Sacramental Preparation Core Team. If you need help or recommendations please feel free to contact us at gkeating@sttheresaphx.org.

Some important principles about service projects:

1) Age Appropriate 2) Follows Safe Environment 3) Deepens child’s understanding of Christian Service

Things to think about while planning, preparing and doing your Confirmation Project

- **DISPLAY:** You will want to take photos of you giving service or photos of those benefitting from your service project. Also, if you receive letters, notes or cards from the organization or person you will want to save those for your display. It is also a good idea to write up your project in your own words to be displayed along with a sample of your project (if you have one).

- **DIMENSIONS:** To display your confirmation project, you will be sharing a table with 5 other children. Please **DO NOT USE** the large science boards. They are too big. Instead, look at yardstick and plan a display board or visual to be **NO LARGER THAN 20x20**. Children have also used laptops and made a power point presentation while other children brought in a special guest who received the efforts from the child. **BE CREATIVE**

Let’s Get Started:

- 1.** Child fills out Project Information form to be handed in with Confirmation/First Eucharist Registration paperwork (available in the registration packet). Please be sure the project is your

child's choice so they have a vested interest and an understanding of the service they will complete.

2. Begin documenting service. Children have the year to complete their Confirmation Project, which will be on display during their Confirmation Fair/First Eucharist Retreat in the spring.
3. Make a list of those to invite to your Confirmation Fair. It's always best to personally invite your sponsor to this retreat so you can celebrate your accomplishments, together, with your family.

Home & Parish-based Projects:

- **Letter Writing:** With the help of their parents or sponsor, students can write letters, notes or make cards for the parish or homebound, expectant mothers at Maggie's Place, new moms at Aid to Women Center, Life Choices or First Way. Also, letters to the troops overseas and those stationed at American bases- please visit www.Letterstosoldiers.org.
- **Parish Charity Drives:** St. Vincent de Paul, Christmas Angels, Circle the City, Spiritual Baby Adoption. Children can raise awareness and provide essential goods by collecting, food, blankets, socks, water and baby items to be collected throughout the year for these groups.
- **Parish-Based service:** There are many opportunities to help your church such as: Bake cookies and help host the St. Nicholas Parish Party in December; serve as a greeter before Mass or reader during Children's Liturgy of the Word in the gym (see Mrs. Keating for help)

Sharing your GIFTS...

You have many special talents. Sharing your skills, talents, and self with others is your commission. Acts of KINDNESS and GOODNESS happen each day. CHARITABLE words, UNDERSTANDING and patience displayed towards others, simple gestures of FRIENDSHIP and JOY all are part of your daily routine and many of you do not even recognize it. All these are "GIFTS" from the Holy Spirit. Thank you for sharing your gifts with those in our community and those outside our community who are in need. May God continue to bless and protect you.

“Amen, I say to you, as long as you did it to one of these my least brethren, you did it to me.” - Jesus
