

Dames and Cabane Locales can use this form to report activities to your Cabane Locale Correspondante. You should also give a copy to your Voiture Correspondante. **REMEMBER:** All hours worked, miles driven and money/material value donated should also be reported under Aide to the Voiture. Do not count miles driven to Rendezvous or a Femmes activity. If you attend a Grande or out of State Voiture function, you can only count your miles if you actually WORK at the event. Two or more people riding together can only count mileage once. You cannot count hours, miles or donations to other organizations unless it 's sponsored by your Voiture. Your work at American Legion, VFW, etc cannot be counted. **If it's not a Voiture-40&8 program.....DON'T COUNT IT.**
