

# INSTRUCTIONS FOR COMPLETING THE CHILD HEALTH REPORT

To comply with Pennsylvania Department of Public Welfare regulations children enrolled at New Gulph Children's Center must provide documentation of age appropriate health services and immunizations that meet the current schedule of the American Academy of Pediatrics.

A copy of the Child Health Report is required @ 2, 4, 6, 9, 12, 15, 18, 24 month well child visits and thereafter annually by birthday.

The top portion of the Child Health Report is completed by the child's parent. Please fill in the necessary information and provide your signature in the appropriate space.

The section below your signature is to be completed by your child's physician or health care provider.

Parents and physicians **MUST** provide **ALL** the necessary information requested on the form.

Return the fully completed form to the Center's office.
