SEE ABOVE FOR CONTINUATION

- Apa'a Street will be re-opened from December 17, 2014.
- Apa'a Street will be open to the public between the hours of 8:00 am and 6:00 pm daily.
- Apa'a Street is a paved, two-lane roadway.
- Motorists and Pedestrians are urged to exercise caution and be considerate.
- To balance access and the safety of pedestrians and motorists a parking and traffic plan has been created.
- Volunteer attendants will be on site to assist drivers and pedestrians sharing the travel-way.
- Gravel shoulder on Pahoia Town Side, to be kept clear for pedestrians. No Parking Anytime. (See Graphic).
- Gravel shoulder on Ainaloa Side designated for REVERSE DIAGONAL PARKING for the public. (See Graphic).
- Buses may drop off passengers at the transfer station and idle at the designated idle area.
- Vehicles with Disabled Placards may drop off passengers at the transfer station and park in a designated area. (See Graphic).
- A 240' buffer zone has been established near the checkpoint on the lower portion of Apa'a Street for the privacy of the closest residence; safety of checkpoint personnel and operations; and protection of government equipment.
- The reverse diagonal has several benefits: 1) maximizes vehicles that may park on the shoulder; 2) assists with pedestrian safety along the roadway; 3) assists drivers EXITING Apa'a Street, since they will be able to make a left turn and quickly exit the area.
