### HARBOR CLEAN UP

Thanks to those who came and helped on the Harbor work day last weekend. The rainy weather put a hold on some of our projects, but overall it was a successful year. Thanks!

### LOST AND FOUND

We have four (4) sets of mooring tackle that were left on plugs this fall. Right now these are hanging on the dinghy rack by the shed. If you forgot to remove yours, please come get it before the end of this coming weekend. After that it will be locked in the shed for winter.

You will need to clean the shed during the Spring Harbor work day in order to find it!!
