

The Zephyr

SWAP MEET

One final Reminder that the Swap Meet is happening this weekend beginning at 10:00 AM at the Whiting Boat house. The last Zephyr called for food volunteers for the event. This was an error. The food is needed for the Sail Expo happening later in June.

Come one, come all!! Get rid of your nautical excess and gain some new. NNYC is hosting a nautical swap meet on Saturday May 11th from 10:00 am to 2:00 pm at Whiting Boat House, Doty Park 515 Clark Street in Neenah. The Swap Meet is for NNYC Members and by invitation to other area Yacht and Sailing Club Members. NNYC requests a 10% of any sales, donation to help cover the rental fee for using the Whiting.

Tables will be available to show your nautical stuff. Items may be dropped off starting at 8:00 am. Note that unsold items will need to be picked up by the end of the meet at 2:00.

If you don't plan to stay around to sell your things, please provide an asking price and your bottom line price so that we can wheel and deal on your behalf.

No need to RSVP just show up and peruse the stuff. If you need more information please contact Terry at social@nnyc.org

Furthermore, if you have unused sailing books that you would like to donate to the club library, please bring those also. We are working on a list of our available books and will post this on the member section of the website once it is complete.

A SAILOR IN NEED

Long time NNYC member Peter Casper "Sorcerer" is seriously ill. He has a website AKidneyForPeter.com. If you have access to a bulletin board that allows public postings we have 11x17 posters about his situation. Peter's insurance covers most of his medical expenses and those of the donor but not all.

There is a way to donate money through Community First Credit Union (PO Box 1487, Appleton, WI, 54912-1487.)

We hope his sailing friends can help Peter and his wife Mary Helen in his time of need.

RC TRAINING

The RC volunteer training will be held on Saturday May 18th. The training begins at Whiting Boat house at 9:00 then moves to on-the-water training around 10:00 AM.

We are looking for folks who are willing to be backup Race Officers (You run the races) for Tuesday and Wednesday nights. If you have some interest in being an alternate for this role, please come to the training and talk with Glenn Mintern. Or feel free to contact Doug Hatch at doughatch@nnyc.org

FOOD FOR SAIL RALLY

If you are involved in a local non-profit that would be willing to provide food (brat fry, etc) during the Sail Rally being planned for June 15, please contact Kacee at Sailpromotion@nnyc.org. All proceeds would go to the non-profit. There would be opportunity for some foot traffic from the nearby boat launch as well.

WINE TASTING

The Sailing School Wine Tasting Fundraiser has been postponed until later in the Summer. Stay tuned for future announcements.

RACING KICK-OFF

The official kick off of the racing season will be on 5/15 at the Menasha Library. This will begin at 7:00 PM. Please note this is a Wednesday night.

The years sailing instructions will be reviewed and skippers/crews are encouraged to bring questions. If you are new to racing, you will need to pick up a colored division flag for your backstay.
