

The Zephyr

NAVIGATION RESUMES

About a week ago the outer channel buoys were placed in both Neenah and Menasha Channels.

Please be cautious when leaving your harbors as high current can still be present. The following link will show how many gates are open at each dam.

CREW LIST

If you are a boat owner looking for some racing crew, or need an extra hand to get out sailing, you can send an email to crew@nnyc.org. Your message will be delivered to people who have joined our crew mailing list.

If you are interested in getting on this list, you may add your name via the website:

<http://www.nnyc.org/crew-interest/>

RACING KICK-OFF

Thank you to those who came to the competitors meeting last week. Thank you to Mark Johnson for his informal rules presentation. I think we all learned something.

PULSE CHECK...

Pulse is a program coordinated by the Fox Cities Chamber of Commerce. The goal is to provide networking opportunities for young professionals.

<http://www.foxcitiesyoungprofessionals.com/foxcitiespulse/home/default.asp>

Our new Sail Promotions director Kacee Des Jarlais has arranged a Pulse event to showcase our club, and to hopefully spur some interest with this crowd. The event is scheduled for the Evening of Wednesday June 5th.

There is a presentation portion at the Holiday Inn Riverwalk, and then we will have some time at the dock, hopefully even some sailing. If you indicated in your application that you would like to help, Kacee will be contacting you soon. You can also volunteer to help by emailing sailpromotion@nnyc.org

RC SCHEDULES

The RC schedules are being finalized and they will be posted soon. Please continue to check the website to find your assigned nights.

FVSS NEEDS INSTRUCTORS

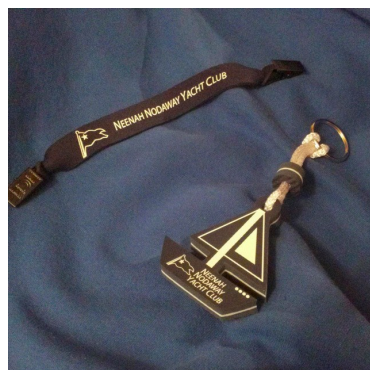

The sailing school is looking for instructors to help with the Monday and Thursday night adult classes. These classes begin on June 17th, and end on August 15th. Sailing experience is required, however no special training is needed. If you have one of these nights free, please contact info@foxvalleysailingschool.org

GET YOUR TUNE ON

We have 2 sizes of the Loos Tension Gauge for use by club members. These are located in the pump box on the dock. Please return them when you are finished.

SWAG

We have some fresh promotional items for sale to club members. We have hat clips (\$3) and floatie key fobs (\$4.50). We will have these available at events or contact shipsstore@nnyc.org

Upcoming Events
