WEED CUTTING ASSISTANCE

The City of Neenah will be cutting weeds in the harbor next week - the week of June 17th. We are asking all boat owners in the harbor to assist us by moving their boats to the Riverside Park sea wall between Tuesday 2:00 pm and Wednesday at 9:00 am. We will be rafting the boats off the wall, and we are requesting that you put out fenders on the starboard side of your boat, and secure your boat with a bow and stern dockline. If you have extra fenders, please put them out as well. Boats in the hospital also raft up at Riverside Park. Boats will be returned to the moorings after the work is done.

We are also in need of volunteers on Wednesday from 9:00 am until 2:00 pm to move boats before and after the cutting.

In addition, the city has requested assistance from the club on Friday, when the area around Shattuck Park and the library will be cut.

If you can assist during either or both of these times, please contact Derek Walker 920-809-5454, vicecommodore@nnyc.org, or meet at Riverside Park.
