### PHOTOGRAPHY

We are putting together a calendar to celebrate the Sesquicentennial of the NNYC. We are looking for submissions of photos taken while sailing or enjoying club activities on the lake.

We will be choosing winners for some prizes as we get more submissions.

Please send submissions to [webmaster@nnyc.org](mailto:webmaster@nnyc.org)

### SINGLEHAND RACE

Saturday July 6th will be the 2nd of the club single hand races. Warning signal will be made on the water at 10:00 AM. These races are open to all classes, not just keel-boats. Crewed (Crude?) Boats are also welcome to come sail the course, although you will not be scored in the race. Maybe you will take a prize winning picture?

### CLUB GATHERING

After a somewhat rocky start in June, we will be having the next monthly sailor gathering at Greene's Pourhouse on Tuesday July 9th.

Bobby Greene has committed to a larger staff to accommodate the group size. They will also give \$1 off drinks and food items with your NNYC membership card.

### DINGHY CARE

It's no secret that our dinghies can get rough around the edges at times. These boats get a lot of use in harsh conditions. Please consider these thoughts when using the dinghies.

Please bail the water from the boats. DO-NOT Pull the boats up onto the dock and overturn them. This puts a ton of stress on the "keel" of the boats and eventually causes leaks.

Please remove the oars from the oar locks when putting the boats away.

Please hang onto heavy duty gallon size bottles that can be used for balers. For some reason these walk off will amazing frequency.
