

The Zephyr

WEED CUTTING - THANK YOU

Thank you to all the volunteers and boat owners who helped get things organized for the weed cutting last week. The weather did us a big favor so far this year. But the City of Neenah and the Club were proactive and ready to cut early in June. Thanks especially to John Ross and Derek Walker for keeping an eye on the situation, communicating with Park and Rec, and organizing the volunteers to get the work done.

LOST AND FOUND

Dale Counihan found a blue NNYC hooded sweatshirt in Riverside Park last Wednesday night, 7/31.

[Contact him](#) to claim it.

TUESDAY RACING SKIPPERS

You were contacted about your opinions on the Racing Handicap systems we have available. Please make sure to register your vote by the deadline, Wednesday August 7th.

SAIL RALLY

The NNYC will be hosting a sail rally, poker run style, on Saturday, August 10. The event will include utilizing (or learning!) navigational skills and a pot luck dinner at High Cliff. Our event will be tied in with their annual Corn Roast on the same day.

If you plan to attend the corn roast at High Cliff, please RSVP to SailPromotion@nnyc.org by Thursday August 8th.

This is a sailing event, not a race and will be very family friendly and a great time to get new people out on a sail boat. Please find the [invitation online](#).

MONTHLY SAILOR GATHERING

Next week August 13th will be the 3rd installment of the monthly club gatherings at Greene's Pourhouse in Neenah. Same routine as last time, upper level reserved after 7:30 PM. Specials with your NNYC card. See you there.

WEATHER REPORT

A couple weather notes to put out there for the sailors: <http://wilakeweather.com/> has some local webcams and lake-specific weather.

NOAA also has a Winnebago wind forecast. They are keeping it a secret by making it unlikely to find from their website. Here is the link:

http://www.crh.noaa.gov/grb/?n=lk_winnebago

One of our members has sent feedback to the link at the bottom of their main page. The NOAA is accepting constructive feedback about the accuracy of the forecast and wave heights.

SAILING SUPPLY

As most boat owners know by now, the West Marine in Appleton has closed. Krueger's True Value in Neenah has a marine parts catalog available for people to order items from.

The shop at the Menasha Marina also has some boating materials available and has a catalog available for ordering with delivery typically the next day.

I also received notes that <http://www.valleymarinemartinc.com/> sells many items as well.

RC SCHEDULES

The RC schedules are posted online. Please check the website to find your assigned nights.

Tuesday 8/06: Stolla, Cullen

Wednesday 8/07: Loeb

Thursday 8/08: Powley

Tuesday 8/13: Weyenberg, Rosenbeck

Wednesday 8/14: Friedman

Thursday 8/15: Brzozowski
