HELP WANTED

If you are looking to help out with your NNYC there are a few specific opportunities open as well as endless opportunities to help the club while having fun.

We need some volunteers to help with dinghy maintenance and upkeep. Who wouldn't want to have the prestigious title of Dinghy Helper?! If interested contact Derek Walker, Vice Commodore vicecommodore@nnyc.org 920-809-5454

Also needed are people interested in being on a Neenah Handicap Rating Factor (NHRF) Committee. This group will work to assign handicap ratings to boats and lay out consistent scoring methods for keelboat racing. If interested contact Jim Stolla, Rear Commodore rearcommodore@nnyc.org

Additionally, the club is always looking for volunteers to help out with running races, putting on events, and maintaining our equipment. Volunteering is a great way to have fun, learn new things, and meet new people. If you are interested in helping out contact Jonathan Coultas, Communications Director communications@nnyc.org 920-809-5886

MONTHLY SAILOR GATHERING

Come on out to Aspen Landing this Wednesday the 18th for the December Monthly Sailor Gathering. Catch up with some fellow sailors and shake off the cold December blues with a warm burger or pizza and a delicious drink. Enjoy some conversation and start making those big plans for next season. See you there!

GIFT IDEAS

How about a hardcover of *The history of the Neenah-Nodaway Yacht Club of Neenah, Wisconsin: an account of yacht racing on Lake Winnebago from 1859 to 1957* by original Commodore James C. Kimberly. This classy, hardcover volume has some interesting maps, photos, and fascinating local history. For \$15 it is the perfect addition to any sailor's bookshelf. Contact Doug Hatch treasurer@nnyc.org 920-729-1638

Still looking for that perfect gift for a sailor you know? Or want to treat yourself this holiday season? Consider giving something from the [NNYC store](#). We have great merchandise that would work as stocking stuffers or gifts; including floating key fobs, window decals, bags, t-shirts, sweatshirts, polo shirts, etc. If you are looking for something specific that you haven't seen displayed at a NNYC event, you can also go to [Sports Graphics](#) (Menasha) and look through their supplier catalogs to find just the right piece. For something really special, you can also have the new 150th year anniversary logo embroidered or screen-printed on any item also.

150 YEARS OF SAILING

We are getting very close to the start of 2014 and we at NNYC are very excited to celebrate our 150th anniversary! To celebrate being one of the oldest yacht clubs in the country we have some exciting events planned. Parades, a 150th Invitational Three Race Regatta, and sailing legend Gary Jobson are all going to be part of this banner year along with many more events! We will really be putting our presence out in the community this year. We will also be taking a look back through photos and stories. If you have something you would like to share please contact Doug Hatch at treasurer@nnyc.org or 920-729-1638.

To celebrate this event, we have also created a special anniversary logo that will be used in 2014 to signify the importance of and our excitement for this special year. (See logo at right). This logo is available on clothing as well.
