NEENAH-NODAWAY YACHT CLUB

Celebrating 150 Years 1864-2014

The Zephyr

ONLINE RACE

Thanks to everyone who participated in the Lake Winnebago NNYC 150th Anniversary Online Race. We had over 200 sailors worldwide participate in the race and 5 of our own NNYC members finished in the top 40! Others took turns controlling the club's boats for a leg or two. 1st place winner was Eusebio González from Spain who will get to sport a 150th Anniversary t-shirt for his win!

FROM THE ARCHIVES

By Doug Hatch - NNYC Historian and Treasurer

In the last issue I told you how the Nodaway yacht Club came to pass and how it got its name. In this issue I will direct you to the original [Nodaway Yacht Club Manual](#) in which there is a lot of neat stuff that applies directly to the Neenah-Nodaway Yacht Club. Learn about the Nodaway Yacht Club's mission to minimize sailing expense, classification of members, establishment of a burgee, rules for foretelling the weather, time allowance tables, signals, compass card and much more in a scan of original Commodore, James C. Kimberly's 1895 manual. Take a look, it's worth your time! Check out the [journal entry here!](#)
