FROM THE ARCHIVES

By [Doug Hatch](#) - NNYC Historian and Treasurer - treasurer@nnyc.org

By now I hope you all have had a bit of time to take a look at our updated website with all the archival items . . . everything from meeting minutes, race results, treasury reports, newspaper clippings, yearbooks, and the most enjoyable- all those photos dating back to the late 1800s.

I added about 200 more pictures this weekend, so if you have already looked, please look again! Many of the new images are earlier pictures and all in all, they really tell the story of the NNYC. Be sure to click on them to set up a light box slide show, which will give you more information in the title of the photo and let you advance through the gallery. If you have information regarding any of the pictures, please contact me directly and I will make the updates.

The History of the Neenah-Nodaway Yacht Club by John C. Kimberly is a great companion to the pictures. To learn more about the book and see some fascinating early images [click here](#).

MEMORIAL DAY PARADE

Has it been your lifelong dream to appear in Neenah's Memorial Day Parade, or even just an occasional fantasy? Well here is your chance to sail the streets of Neenah on a decorated A scow waving and smiling to the adoring crowd. We are looking for a few volunteers to take part in this fun event on Memorial Day (Monday, May 26) and really help promote the NNYC in the community. If you are interested please contact sailpromotion@nnyc.org

NODAWAY 150 REGATTA

The Notice of Race and [registration form](#) is out for our Nodaway 150 Regatta being held on July 12th. We are thrilled to be hosting this three race regatta as well as the dinner and an "Evening With Gary Jobson" following the race. Talk about a big day for the NNYC! Don't miss your chance to see legendary sailor, Gary Jobson. If you are not racing and just want tickets for the dinner contact Social Director [Terry Smith](#).

INLAND 20 REGATTA IN NEENAH

Recently, Rear Commodore Jim Stolla attended the Inland Lake Yachting Association's Inland Winter Meeting representing the NNYC. At the event it was announced that the NNYC would host the 2014 Inland 20 Invitational Regatta June 21-22! The Inland 20 or I20 is an updated version of the M20 scow raced by a crew of two. Click [here](#) or on the image below to see the Inland 20 class website. Stayed tuned for more details about this exciting regatta!
