### FUN POST-SEASON RACE

Come out and enjoy another beautiful September evening on the water! We will be holding another post-season race on Tuesday, September 9th. Your boat will still be in the water so why not get some use out of it?

To keep the end-of-season racing fun, we encourage you and your crew to be armed with water guns and use them during the race (not in the pre-start sequence, please, also no water balloons for the sake of the fish).

We will meet at the Holiday Inn after the race for a casual social gathering (see Sailor's Special Below) and presentation of some special trophies.

The September 9<sup>th</sup> race will be Windward-Leeward and will have one start at 6 and again will end in time to get everyone back. First place trophy will go to the boat with the "Most crew from the largest number of different fleet boats," the more boats you draw from the greater your chances. Second place trophy is the boat with the "Best crew uniforms or costumes," and third place trophy is for the "Handicapped Winner."

If you would like to volunteer to help out with the race committee for these event please contact [Doug Hatch](#).

### FROM THE ARCHIVES

NNYC Historian [Doug Hatch](#) has scanned a feature article from the local magazine "On the Water" that is about the NNYC past and present. Read the article [HERE](#). At this point, Commodore Don Reid would chime in and mention that he didn't actually say the phrase "beer can" as he is quoted. Check it out!
