Stop by Remington's in the Riverwalk Hotel this Wednesday, April 8th at 6PM for our April Monthly Sailor's Gathering. The theme for this one is welcoming new racers so be sure to bring any new crew members! Rear Commodore Mark Hallett will do some rules discussion and it will be a great opportunity to discuss the 2015 sailing season!

### BOWLING NIGHT

Get your bowling shoes and bowling ball polished up and join us on **Saturday, April 11th at 4 PM at Sabre Lanes in Menasha.** Bowl three games including shoe rental for \$8. Then hang around and to socialize and get some food and drinks from the restaurant at Sabre Lanes. Bring the kiddos along to enjoy some bowling!

### GET THOSE FORMS IN

Be sure to get your 2015 membership forms sent back in soon! April 30th will be the last day to get your name and info in the 2015 membership booklet and manual before it gets printed. Manuals will be handed out at the Racer's Briefing at the Menasha Library on Tuesday, May 12th. Those that aren't picked up will be mailed to you.

### DINGHY HELP

We will be in the process of giving the harbor dinghies a going through and replacing parts and doing repairs as needed. If you want to get in on the excitement and have every NNYC member owe you a big thanks every time they sit down on one of the dinghies contact Vice Commodore, Rob Bryson at [vicecommodore@nnyc.org](mailto:vicecommodore@nnyc.org) to volunteer to help.

### WILL YOURS PUT OUT A FIRE?

*Here is information from Boat U.S. on a fire extinguisher recall. See link at bottom of article.*

Kidde, in conjunction with the US Consumer Product Safety Commission (CPSC), has announced a voluntary recall to replace certain Kidde fire extinguisher units.

Thirty-one models of the disposable fire extinguishers are affected. The extinguishers are red, white, or silver with black plastic valves and ABC or BC rated and manufactured in Mexico between July 23, 2013 and October 15, 2014 and sold at department, home, and hardware stores as well as some marine supply stores. Some of the affected extinguisher models were designed for the boating market and have a nameplate on the front with the names Mariner 10, Mariner 110, Mariner 5, and Mariner 5 G

### VC17 BOTTOM PAINT DEAL

The snow is melted and it's time to start thinking about boat work, for many of us that means painting the bottom. Diane Schabach at the Menasha Marina can order VC 17 for \$58.00 a quart no shipping for all NNYC members interested. The colors available are Original, blue, and Red.

Also, take a look at the [Interlux Spring Rebate](#) and you could get a \$5/quart rebate for up to 2 quarts. (Thanks to member Roger Palmer for the heads up on the rebate)!
