### HARBOR WORK DAY

April 25th will be our harbor work day starting at 8 AM at Riverside Park. Come have coffee and donuts and then help us get the harbor all set up for the 2015 sailing season!

### HARBOR OPENING

Only 16 days remain until the harbor opens at 8 AM on Saturday, May 2nd! Get those boats ready!

### CRANE-IN

On Saturday, May 2nd at 7 AM some members have arranged for a crane to lift-in boats. This is NOT an NNYC sponsored event so please contact Jim Stolla at 920-858-1911 for information.

### RACER'S BRIEFING

This years racer's briefing will be held in the meeting room in the basement of the Menasha Library on Tuesday, May 12th at 7 PM. Come out and make sure you are up to date on NNYC's 2015 Sailing Instructions and more. Bring your crew or anyone interested in racing. See you there!

### HARBOR AND DINGHY HELP

There are always opportunities to help out the club and now is a great time to help with harbor, RC boat, and dinghy setup outside of just the harbor work day. We will be in the process of giving the harbor dinghies a going through and replacing parts and doing repairs as needed as well as taking care of all the usual harbor upkeep. If you have some time to lend contact Vice Commodore, Rob Bryson at [vicecommodore@nnyc.org](mailto:vicecommodore@nnyc.org) to volunteer to help out.
