Fall is here and we are wrapping up another sailing season. That means the *Nodaway* will have to be towed to its storage location out by Wild Rose in late October. If you have a large vehicle with a 2 inch receiver that could tow the Nodaway, which has a tow weight of 8000 lbs., and could help out (fuel reimbursed )please send an email to Rob Bryson at [vicecommodore@nnyc.org](mailto:vicecommodore@nnyc.org).
