TUNE-UP RACES, ALL FLEETS

Get out there and get tune-up for the racing season! Tuesday, Wednesday, and Thursday. How sweet it is to be back on the water!

NEENAH HARBOR CAM

Be sure to visit our website (www.nnyc.org) to check out the Neenah Harbor cam. It is located on the homepage as well as a separate webcam page (www.nnyc.org/webcam) that also features other webcams from the lake.

OPEN DINGHY AND CAT RACING

New for 2016 on Wednesday nights any dinghy or catamaran will be allowed to race on the course! Flying Scots will be scored as one design. If there are two or more of another class of boat they will be scored as one design, otherwise Portsmouth scoring will be used for the mixed fleet. This is a great chance to get out racing in your dinghy or cat and could be your chance to be a pioneer for the next NNYC one design fleet! Email rearcommodore@nnyc.org with any questions.

MEMORIAL DAY RACE

This Saturday, May 30 at 10AM we will have the Memorial Day Race. Open to all fleets with a singlehanded division and crewed division. Come out and enjoy the first holiday race of 2016!

MAY SOCIAL GATHERING

Tuesday, May 31st starting at 7:30 we will have the May Social Gathering at the Riverwalk Hotel. This will be a pizza party! It should be a great way to follow-up the first race of keelboat series 1!

MEMORIAL DAY PARADE

On Memorial Day, Monday, May 30th we will once again be bringing smiles to the community as we travel about 2 miles through Neenah-Menasha on Geoff Catlin's beautiful A Scow, *Too Fast*, in the Memorial Day Parade. We are looking for volunteers to come and be part of this fun event. We need people to walk along the boat and pass out candy and we need some volunteers to ride on the boat during the parade. Kids and grandkids are encouraged to come be a part of the event! Contact Nicole at communityrelations@nnyc.org if interested.

SAILING OPEN HOUSE

On Saturday, June 11th from 10AM-2PM we are looking to again make our Sailing Open House a great event to showcase our club, the Neenah Harbor, and promote the sport sailing as well as boating safety. To make it happen we need you! There will be plenty of different ways to help out including:

- Setup/Takedown
- Docking your boat on the seawall and offering tours
- Helping with sailing related science demonstrations
- Helping with arts/crafts
- Just being there to help make it happen!

If you are interested in helping out please contact Nicole at communityrelations@nnyc.org

TRI-SAIL-ATHON SUPPORT

We are looking for some people interested in helping with the Tri-Sail-Athon on the morning of Sunday, June 19th. We need:

- Timers for the bicycle race
- Someone to run an information tent

If you are interested in helping or in participating please contact rearcommodore@nnyc.org.

TRANS WINNEBAGO

The Trans Winnebago Race and Cruise on Saturday, June 25th will run from Menasha to Fond Du Lac this year, the same direction as last year. There is a Shrimp Boil at the Fond Du Lac Yacht Club the evening of the 25th that will make for a great post-sail party!

A Public Service Announcement on dinghy bailers. We haven't identified the reason bailers go missing so often (there are several theories out there ranging from aliens to gnomes to inter-agency government conspiracies) but when they do go missing we know the best way to replace them. Thanks to Ben Brzozowski for the picture and replacing a few bailers. (above)
