BOATS FOR KC NEON SAIL

We are taking out people from the Kimberly-Clark new employee group for a sail on Wednesday, July 29th leaving at 6PM from the Menasha Marina. The 20 slots we had filled up almost immediately and there are 20 more people waitlisted. To get more people off the waitlist and on the water we are looking for more boats than we planned on! If you are interested in taking a group out sailing and can bring your boat to Menasha Marina please contact Jonathan at communications@nnyc.org.

VENETIAN PARADE

You can be part of this community loved tradition by lighting up your boat for the parade that runs through Riverside Park before the fireworks on the 4th of July! There is no cost for entry and you can win prizes if the judges vote your boat number one!

Online registration form is located on the NNYC homepage at www.nnyc.org/venetian-parade-registration

For more info please contact communityrelations@nnyc.org.

TRANS WINNEBAGO

The Trans Winnebago Race and Cruise is this Saturday, June 25th and will run from Menasha to Fond Du Lac this year, the same direction as last year. There is a Shrimp Boil at the Fond Du Lac Yacht Club the evening of the 25th that will make for a great post-sail party!

NNYC 152 REGATTA (JOSH BEVERLIN TROPHY AWARDED TO JIB AND MAIN CLASS)

On Saturday, July 23rd we will host the NNYC 152 Three Race Regatta with a skipper's meeting starting at 11:30am. The jib and main division will race for the Josh Beverlin Trophy.

Following the racing a dinner will be held featuring a presentation by NNYC member Gerry Gavin on winning the 1978 Quarter Ton Cup in Japan.

Stay tuned for NOR and registration coming soon!

PARADE OF LIGHTS

On July 3rd NNYC will again sail the streets of Neenah and Menasha in a lit up C Scow float. This unique night parade is a real blast! The parade starts at 9:15 PM and runs from Neenah to Menasha. You can join in the fun by walking in the parade or helping decorate the boat before the parade. If you want to be part of the parade please contact Nicole at communityrelations@nnyc.org.

APOSTLE ISLAND CRUISE

The NNYC is organizing a group charter event at the Apostle Islands again this year! No chartering experience is needed. The club will distribute people on the boats so that there is a certified captain on each boat. This is a lot of fun and a great way to get a different sailing experience. Last year, for the three day cruise, the total cost include provisions was less than \$450 per person!

This year there is an option for a weekend cruise or a longer cruise. For both options, we will head up to Superior Charters on Friday, September 9 and spend the night on the boat at the marina. The weekend version will sail Saturday, Sunday, and part of the day Monday. The longer version will sail until Sunday, September 18.

Please contact Kacee (sailpromotion@nnyc.org) with questions or to sign up. People can sign up throughout the summer, but the earlier you sign up, the better selection of boats we will have to choose from at Superior Charters. In other words, the sooner you sign up, the better boat you get!

DRAGONFORCE 65 R/C SAILING

The DragonForce 65 R/C fleet will be trying a switch from Sunday afternoons to Monday evening on Mon, June 27th starting at 6PM at the pond at Memorial Park in Appleton. Stop by and check out the neat R/C boats.

If you need directions to the pond, want to learn more, or have any questions please contact R/C fleet captain Mark Johnson at mark@bejubi.com.

BEST FRIENDS SAIL

We will have our Best Friends Sail on Sunday, July 17th at 1pm. In partnership with Best Friends of Neenah Menasha we will take adults mentors and their young friends out for a sail on Lake Winnebago. Best Friends NM mission is to help young people thrive through the power of mentoring friendships and supportive family networks. The participants always have a great time and are very appreciative! If you want to be part of this event or take people sailing on your boat please contact Nicole at communityrelations@nnyc.org.

2016 MATCH RACING EVENT

Have you ever seen match racing on TV or the internet and wanted to try it out or learn more of what they are doing at the start? Here's your chance! No, we won't be foiling on M32s or AC45's but we will have a great time and learn a lot about the rules, boat handling, strategy, and tactics.

This is a two-part event:

Part one: a "Chalk Talk" about match racing presented by NNYC member and match racer, Mark Johnson. Mark knows his stuff and always offers a great discussion so you won't want to miss this at the Riverwalk Hotel following Tuesday night racing on August 9th! No registration required

Part two: on the water practice starts and round-robin racing. Flying Scots, Lasers, and any boat type with at least two entries can participate in this educational and fun day of match racing on Saturday, August 14th.
