2016 MATCH RACING EVENT

Have you ever seen match racing on TV or the internet and wanted to try it out or learn more of what they are doing at the start? Here's your chance! No, we won't be foiling on M32s or AC45's but we will have a great time and learn a lot about the rules, boat handling, strategy, and tactics.

This is a two-part event:

Part one: a "Chalk Talk" about match racing presented by **NNYC member and match racer, Mark Johnson**. Mark knows his stuff and always offers a great discussion so you won't want to miss this at the Riverwalk Hotel **following Tuesday night racing on August 9th!** No registration required

Part two: on the water practice starts and round-robin racing. Flying Scots, Lasers, and any boat type with at least two entries can participate in this educational and fun day of match racing on Saturday, August 14th.

NOR and Registration located at:

www.nnyc.org/notice-of-race/
