KEEP A LOOKOUT

Be sure to keep an extra sharp lookout for other boat traffic, especially anchored fishing boats as they can be hard to see in lower light as the sun starts to set earlier and earlier at this point in the season.

CHECK OUT OUR CREW LIST

If you haven't taken a look at it in awhile we have added some info for people looking to get out cruising and racing to our Crew List / Sailing Interest Form. This is always a great opportunity to introduce new people to the club and the sport of sailing.
