- Oshkosh School District Youth Sailing
- Crew List - Not Just For Racers

TWILIGHT PICNIC AND CRUISE

This **Sunday, August 21** we will have our **August Twilight Picnic and Cruise**. The picnic will start at **6 PM in Riverside Harbor**. Bring something for the grill and a dish to pass if you would like. After visiting and eating we will head out and enjoy a lovely sail as the sun goes down and the moon comes up!

GROUP DISCOUNT

From the *Flying Scot* fleet but relevant for all boats.

We have spoken to the one design rep from North. He can get us 20% off if we order 10 sets of sails. A set is 3 sails for a Flying Scot or jib/main on a bigger boat. He is able to order non one design sails if others are interested. We can pool our order so if someone is only interested in a new chute we can add it on to get the group rate.

Let Ken Friedman know if you are interested at friedken@gmail.com.

If we cannot make the 10 sets then we can make the most of the 15% offered in October.

OSHKOSH SCHOOL DISTRICT YOUTH SAILING

From *Steve Eliassen of International Youth Sailing of Oshkosh*

If you've ever wanted to help expand the reach of sailing to include many more youth, there's a way you can do so without quitting your job, flying to Annapolis, or moving to Key West.

International Youth Sailing of Oshkosh brings sailing and paddle sports to (effectively) all 5th graders in Oshkosh each fall, right at the start of the school year. IYSO is always seeking volunteers to help keep the effort going, safely, so as you might imagine, experienced sailors who are good with kids are a hot commodity. Please consider signing on for a 1/2 day session, a full day session, or whatever you can do. The group needs shore (coordinator) staff, instructors, and safety volunteers. Most of the on-water programming is done of Hobie Wave catamarans, kayaks and SUP's, with keel boats in the mix periodically.

IYSO has brought sailing to approximately 8000 youth in 9 years of operation, serving 8 school districts/systems in that time. You can check out a video here: vimeo.com/144156083. If you would like to help contact Steve Eliassen at bestdaysailing@gmail.com or 920.216.7353

THE CREW LIST- NOT JUST FOR RACING

A lot of people mainly use the Crew List/Sailing Interest form for racing crew, however there are plenty of people on there looking to go cruising or looking for anything to get out on the water. This is always a great opportunity to introduce new people to the club and the sport of sailing.

You can also email crew@nnyc.org and it will go to everyone on the list.

You must be logged in to the NNYC website to view the crew list. The crew list is located under the "For Members" menu once you have logged in. Contact communications@nnyc.org with any questions.

In the absence of other boats, the tactical rounding above is not the fastest way to sail the course. That's because the Red boat sails all the way down to ladder rung B when she only has to sail to ladder rung A. Red sailed past the mark by the distance X; then she had to sail X again just to get back to the mark. So this rounding costs her a distance of 2X compared to the faster strategic rounding below.
