### SEPTEMBER FUN RACES

**Watch, learn and race for the fun of it!**

Racers and Crew, Cruisers and future racers are all invited to join the fun at our **two September fun races on Tuesday September 13th and Tuesday September 20th.**

If you haven't raced your own boat this is a good chance to follow other boats across the start line and to go up and down the course with your hand on your own tiller.

The fun doesn't end with the racing- **awards, food, and drinks will follow at the Riverwalk Hotel's Remington bar.** They have a good bar menu, so dinner is an option.

On September 13th we will give a Spirit Award for the boat with the largest number of non-regular captains, crew, and/or other bodies aboard. We will also give first place awards for spinnaker, and non-spinnaker classes.

On September 20th, the Spirit Award will be given to the boat with the best theme as demonstrated by decoration, costumes, and on-board performance (s). Yeah, we will also give awards for first place in spinnaker and non-Spinnaker classes.

### GROUP DISCOUNT FOR SAILS

*From the Flying Scot fleet but relevant for all boats.*

We have spoken to the one design rep from North. He can get us 20% off if we order 10 sets of sails. A set is 3 sails for a Flying Scot or jib/main on a bigger boat. He is able to order non one design sails if others are interested. We can pool our order so if someone is only interested in a new chute we can add it on to get the group rate.

So far, we have less than half the needed number of buyers/sails.  
**Let Ken Friedman know if you are interested at [rearcommodore@nnyc.org](mailto:rearcommodore@nnyc.org).**

### VC17

Menasha Marina is taking orders for VC17 antifouling paint. If interested please contact the Menasha Marina at 920-967-5193.
