### NNYC CURLING EVENT

On **Saturday, February 18th** NNYC will hold its third annual "Winter Fling on Ice" at the **Appleton Curling Club** from **3:30 PM to 5:30 PM** with dinner at the **Pullman's** to follow. Those who only want to spectate and eat at Pullman's are welcome.

To curl you need rubber soled shoes (athletic shoes), gloves, fleece/jacket, and maybe a hat. You will get some safety tips and instruction on how to curl. Then it's time to practice and have a game to test out your new curling skills.

Costs for curling will be \$18 to \$25 depending on the total number playing and the dinner bill at Pullman's will be for the individual or couple.

If you are interested in joining us for this fun event, please **RVSP** to [social@nnyc.org](mailto:social@nnyc.org) as soon as possible.

Submit your sailing photos to [communications@nnyc.org](mailto:communications@nnyc.org) or upload them to our Facebook page and they might end up in a Zephyr!

### MIDWEST WOMEN'S SAILING CONFERENCE

Want to improve your sailing skills? Want to have an awesome time networking with other women sailors? Registration is now open for the 2017 Midwest Women's Sailing Conference on May 20, 2017. Registration fills up quickly (their website shows 50% full already) so sign up soon if interested.

A wide range of classes for all levels that include classroom settings as well as hands-on instruction are offered.

In addition, there are options to attend dinner the night before and/or a sail on the S/V Denis Sullivan on Sunday, for an additional fee.

Get more details and register at the [Midwest Women's Sailing website](#).

If interested in traveling/staying over with others from the club, contact Sandi at [social@nnyc.org](mailto:social@nnyc.org) for more information.

### UNDERSTAND THE RULES WITH DAVE DELLENBAUGH

Anyone looking for an informative review of the Racing Rules of Sailing and updates on what has changed in the 2017-2020 edition might be interested in attending the Rules and Tactics Seminar on March 5th in Milwaukee. Dave Dellenbaugh will be the instructor for this seminar presented by North Sails. You can learn more at [North's website](#).
