Presentations: We are very excited to have two speakers at our Spring Fling this year. First, Richard Pask, from HCYC, will be sharing video and discussing an adventure trailering a sailboat to Lake Huron and cruising Huron's North Channel. Richard will also discuss trailer cruising in general. Next, Commodore Don Reid will briefly discuss the upcoming Fall NNYC Charter to Chesapeake Bay and some of his personal experiences sailing Chesapeake Bay.

This will be a great chance to mix it up with your fellow sailors and get pumped up for the 2017 sailing season! **Seating is limited so be sure to RSVP and pay by March 6 at www.nnyc.org/upcoming-events**

MARCH NNYC SOCIAL GATHERING

At this month's Social we will enjoy food and drinks with fellow sailors and perhaps discuss racing rules of sailing changes in the 2017-2020 (we are planning a more in depth review at a later date). In addition, we are calling for all keelboat racing skippers and/or their representative to attend to discuss the Tuesday races. Keelboat fleet captain Derek Walker will facilitate the discussion - he has some topics in mind, but if you have any discussion items or questions, please send them to Derek in advance at jderekwalker@yahoo.com or call him at 920-585-0752.

Remember, please feel free to bring family or friends that might be interested in joining the club, crewing, or just sailing. All are welcome to these events. The more the merrier!

R/C SAILING MAKES THE NEWS

Some NNYC R/C fleet members gathered to try out the open water in the Harbor since the usual winter race venue (the indoor pool at the Riverwalk Hotel) is being renovated. It was a beautiful day and even though the wind was fairly light nobody was complaining about a February day in the 50's! An NBC 26 film crew caught up with the gang as they were sailing around. LAKE WINNEBAGO CRUISING

Cruising fleet captain Dale Counihan is looking for input from members as to where they wish to go on our overnight/day cruises for the 2017 season. Please email or call Dale with ideas (dbcounihan@hotmail.com, 920-585- 7787)
