### FUN RACES

**Tomorrow night (9-19) is our last fun race of the year. Don't miss out!**

**Tuesday, September 19th** will be another **fun race starting at 6 PM**. The Spirit award will be given to the boat with the best theme as demonstrated by costumes, decorations, and on-board performance. Yeah, we will give awards for first in non-spinnaker keelboat, Flying Scot, and Laser classes. Again followed up by a social and an award ceremony for that night's race at Gord's Pub!

### FUN RACE WATER GUN REMINDER

If you and your crew are packing some serious water gun heat make sure that any boat you hose down is in on the fun and ready to fire back. If a boat doesn't have water weaponry and can't fight back don't engage them.

### COMMITTEE BOAT FALL CLEANUP

*From Vice Commodore, Rob Bryson*

Hello Sailors;

I hope everyone has had a fun season cruising and racing on Lake Winnebago. As the season wraps up it is time to give two of our most important assets, the *Nodaway* and *Lakefly* a little "tender loving care."

A **committee boat clean-up** is scheduled for **Saturday, September 23th between 9 AM and 12 PM** at the boat dock behind the Neenah library.

Committee boat clean up involves cleaning and waxing the top decks of the Nodaway and Lakefly and cleaning each of the compartments. To complete this task I need 6 to 8 volunteers. I also need a few tools. If you can provide a power washer and/or a power buffer please let me know.

If you can help with this activity please let me know by emailing me at [vicecommodore@nnyc.org](mailto:vicecommodore@nnyc.org) or call Rob Bryson in the evenings at 954-5357.

Note: This is the weekend of the Fox City Marathon so there will be a little traffic due the 5K race that Saturday.
