\*

Janet is sitting at the table and is enjoying her breakfast. Matthew walks in and sits with her at the table.

MATTHEW

Good morning!  
Kigî-mino-gijebâhî?

JANET

(turns, intrigued)

\*

Wow! I didn't even have to wake  
you. Next, you'll tell me you  
remembered to take out the garbage  
last night.

EXT. JACK'S WAREHOUSE - DAY \*

Jack and Nigig stand facing one another.

NIGIG

He cannot simply stop being Kagagi. \*

It doesn't work that way.  
Kâwin tâ-wawenipanîsî kidji-bônî-Kâgâgîwidj. Kâwin

(panicked) \*

This is not good. What of the \*

Kiga-wâbandânânân `sa...

Jack takes a deep breath, frustration etched on his face, as Nigig frowns.

EXT. WAREHOUSE - DAY

The Intrinsic stand, grouped together.

CANDACE CROW

Why hasn't he activated the portal yet? Wouldn't he want his army here ASAP?

Awegonen ega mashe wendjji -

PHILOSOPHER REX

Assuming he has fixed the device...  
He'd require a large, open space to  
activate a portal for his vast  
army...

of Stygians.  
Kinawe meshâg tash kaye iye, Kore.  
Appolyon konima odandewemâdogen

TORI ISAACS

INT. CAFE - EVENING

Matthew and Cassie are sitting at the cafe, at a secluded booth or table toward the back, with a drink in front of each of them. They both smile happily.

CASSIE

I'm glad we got to do this. \*  
Nigichi-minwenindam kî-de-dôdameng awaso.

MATTHEW

I know. Finally!  
Nigîkenindân. Kegîdog!

CASSIE

Finally?  
Kegîdog?

MATTHEW

Uh... Well...  
Uh...Ahî...

Cassie chuckles a bit nervously, which sets Matthew at ease.

CASSIE

It's okay, Matt. I get it. Finally \*  
works.  
Kâ'n kego iye, Matt. Ninisidotam. Kegîdog  
minose.

Matthew smiles as Cassie sips from her drink. \*

EXT. STREET - NIGHT

Tommy stands at a bus stop, waiting. He checks his watch, \*  
then sighs and extracts his cellphone, pressing buttons.

TOMMY

(to himself) \*  
What the heck is this?  
Awegonen tash wîn iyo?

We see what Tommy is watching on his phone; a live newscast.

NEWSCASTER (O.S.) \*

Eyewitnesses are now reporting that \*  
a group of... Flying people--  
Kâ-wâbangedjig ikidowag kî-wâbamâwâdj  
ningodwehî...kâ-bimisawodjig pemâdizidjig--

(clears his throat in \*  
disbelief) \*  
Excuse me... Where was I? Ah, yes: \*  
a group of *flying* people have been \*  
seen at MaClean Bridge, where \*

strange energy emissions we're seen \*  
 just weeks ago.  
 Kâ'n ningodinenimishiken...Ândî endaniziyâmbân? \*  
 Ah, keget tagîn ningodwehî kâ-bimisawodjig pemâdizidjig

 manâshitâganiwang.

TOMMY

Now that's what I'm talking about! \*  
 Mî `sa iye tebâdidamân!

Tommy, determined, races off. \*

EXT. MACLEAN BRIDGE - NIGHT

Appolyon hovers high above the bridge. The stone disc portal device is attached to the bridge itself, energy bursting from its center.

The Intrinsic draw near as Appolyon is making the final adjustments to the portal device.

APPOLYON

The Intrinsic! Ha! Do you really  
 believe you can stop me? You should  
 be running-- *fleeing* this doomed \*  
 world!  
 Wendjidâ! Ha! Ondjidâ na igodj kidebwetam kidji-  
 gashkitôn nônginin?

CANDACE CROW \*

He's... Bigger. \*  
 Kinawe...Mindido.

JAS

Shes right, well never do this alone.  
 Tebwe iya. Kâ'n wîkâd nishike kidâ-gashkitôsîmin kidji-dôdameng `e.

KADE \*

We'll need backup, Rex... \*  
 Wîdôkâzowin kiga-andawenindânânân, Rex...

KORE \*

Are you nuts? We can take him-- \*  
 Kigîwanâdiz na? Kidâ-gashkiyânân kidji-odâpineng--\*

PHILOSOPHER REX \*

Focus on our task! \*  
 Kwayakwâbandan enanokîng!

TORI ISAACS \*

Let's do this! \*  
 Ânw tôdamodâ iyo!

The team descend onto the bridge, ready for battle. Appolyon \*  
 descends in front of them. \*

KORE

Show-time.  
Wâbandahiwedâ.

\*

KADE

Kore, careful!  
Kore, ayângwâmîn!

\*

Kore runs at Appolyon and swings, his blow landing hard!

\*

With a crushing THOOM, Appolyon shakes off the effects of the mighty blow.

\*

Kore grins and readies another punch, only this one is ducked; Appolyon has already regained his senses.

KORE

(stunned as Appolyon  
towers over him)

\*

\*

What? No way!  
Awegonen? Kâ'n `sa kinage!

Appolyon brings a closed fist back, and it emits flames. He throws a crushing blow of his own that sends Kore flying backward.

\*

APPOLYON

Is that the best you can do,  
Intrinsic?  
Mî na eta eji-gashkitôn `e, Wendjidâ?  
\*

\*

The Intrinsic team rallies, charging toward Appolyon. Candace Crow leaps at the screen, throwing a leaping kick!

CANDACE CROW

We've got a lot more than that!  
Kinawe nîbina nidayânân!

\*

INT. CAFE - NIGHT

Matthew and Cassie are sitting at the table in the cafe; both seem to be having a great time.

MATTHEW

But by the time I got there,  
Tommy's already eaten it all! I  
don't know where he puts it!

\*

\*

\*

Anisha tash apîch kâ-dagoshinân `îndî, kakina Tommy kî-gidâmigoban! Ândîdog âpidje etôgwen!

They laugh, shaking their heads until finally, a moment of silence. Matthew looks at Cassie, who smiles, blushing a bit.

MATTHEW (CONT'D)

I gotta tell you, Cass, I'm having  
a great time.  
Kiwî-wîndamôn, Cass, nigitângogaje minawâz.

\*

CASSIE

Me too. You're more relaxed than  
you've been lately... You seem  
happy.

Nîn kaye. Kigichi-nayenindam tash kaye

\*

MATTHEW

Let's just say that I can't let my  
"hobbies" get in the way of my life  
ever again.

Ikidodâ kê'n minawâdj niga-bagidinidizosî kidji-  
"wanishkweziyân" nibimâdizîwing minawâdj wîkâd.

Cassie smiles coyly. Matthew lifts his milk shake and begins  
sipping it.

CASSIE

Now you have time for you... Fun,  
and second dates.

Âjaye tash kidebapîchî ondje kîn... Minowâziwin,  
Ashidj tash eko nîjing sâgadjiwîdjîdiwin.

Matthew double takes, in surprise, spilling milk shake onto  
his sweater.

MATTHEW

Aww, man....

Âww, ininî...

CASSIE

It's okay, I'll get it.

Kâ'n kego wîn `e, keshk nîn.

Cassie leans in, wiping the stain from Matthew's shirt.  
Matthew watches her as she looks up in to Matthew's eyes.

For a moment, Matthew sports a deer in the headlights look,  
as each of them move in for the kiss, closer and closer until  
as their lips are about to touch.

RING!

Matthew opens his eyes and sees that Cassie is already  
checking her phone.

CASSIE (CONT'D)

Sorry...

Kâ'n ningodinenimishiken...

\*

MATTHEW

Oh, uhh... Hey, no problem.  
Oh, uhh... kâ'n kego wîn `e.

\*

Matthew starts to look uncomfortable and squirms a bit.

MATTHEW (CONT'D)

Is everything alright?  
Kego na?

\*

CASSIE

(Reading a text)

It's Tommy! He texted about--  
Tommy iya! Nigî-textiwhîg ondje--

\*

Matthew's expression morphs from peeved to angry. His eyes glow yellow for a split second.

\*

\*

CASSIE (CONT'D)

Matt? Are you okay? Your eyes--  
Matt? Kego na kidind? Kishkînjigôn--

\*

\*

Matthew gets up.

\*

MATTHEW

(regaining composure)

I'm fine, Cass. Would you excuse me  
for a second? I-- uhh, gotta use  
the washroom.

\*

\*

\*

Kâ'n kego nidindisî, Cass Keshk pinama wenibik na  
kada-bâbîyish? Ni- uhh, mâmakâdj ked-âbadjitôyân

CASSIE

(looking up before going  
back to reading her  
phone)

\*

Oh, yeah. No problem.  
Anh. Kâ'n kego wîn `e.

\*

EXT. STREET - NIGHT

Tommy walks at a brisk pace, texting away. He looks up...

\*

TOMMY'S POV:

\*

Against the horizon, colourful energy surrounds the Maclean Bridge

\*

TOMMY

Oh wow! C'mon, Cassie! Pick up, you  
gotta check this out! This could be  
huge!

\*

\*

Wa tağana! Ânw, Cassie! Odâpinan, mâmakâdj ke-

RING!

\*

TOMMY (CONT'D)

what you're miss--

Cassie- - Kegapîch! Kâ'n kigîkenindazîn kâ-

INTERCUT WITH:

EXT. THE ASTRO CAFE - NIGHT

Matthew paces back and forth.

MATTHEW

T, what the heck are you doing?  
T, awegonen âpidje wejitôn?

TOMMY

Oh, hey, man! You're not gonna  
believe this, I'm headed for the  
McClellan Bridge, something huge is  
going down!

Oh, eh, ininî! Kâ'n kiga-debwetanzîn iyo,  
Nidijâ McClellan Ajoganing, kichi-gego 'îndi ijiwebad!  
\*

MATTHEW

No. I mean texting Cassie - while  
she's on a date with me. Your best  
friend!-- Wait... What? What's  
going on at the bridge?

Kâwin. Kitextiwiyâ Cassie - megwâdj sâgidji-  
wîdjîwag. Kimâmindji-wîdjikiwe! - Pîwon...Awegonen?  
Ânîn ejiwebak 'îndi âjoganing?  
\*

Suddenly, an EXPLOSION bursts from the McClellan bridge!

MATTHEW (CONT'D)

Dude! What was that noise?  
Ningwî! Awegonen `e tebweweg?

Tommy

Gotta go, this is getting  
exciting!

Nimâdjâ, eshkam nidômbîgon

EXT. MACLEAN BRIDGE - NIGHT

The Battle rages on. \*

The Intrinsic, working in tandem, have Appolyon on the ropes. \*

Kore, Kade and Candace Crow all charge Appolyon. \*

All three reach the Demon at the same time; Kade and Candace Crow from above and Kore from the ground. Kore throws punches while yelling to Rex and Tori Isaacs.

KORE

A little help, guys?  
Pangî wîdôkâzowin, wîdjikiwenyidok? \*

Rex fires off a bolt of energy from his staff and Tori telekinetically launches a garbage can at Appolyon.

Everything and everyone hits Appolyon at the same time, sending the villain down to his knee. \*

Kade steps forward and stands before him. Slowly Appolyon's head raises, a smile crosses his face. \*

APPOLYON

Not today.  
Kâ'n nôngom.

Appolyon stands and with a tremendous ROAR, thrusts both his arms upward and outward, sending a massive tidal wave of flame out at the heroes, hurling them backward. \*

APPOLYON (CONT'D)

And not ever, for that matter. This charade is done. This world... Is done! \*

Ashidj igodj kaye kâ'n wîkâd, awaso odaminokâzowin nôngise. Awaso akî... Ishkwâsemagad!

A large fire blast is fires directly at the screen! \*

INT. THE ASTRO CAFE - NIGHT \*

Matthew sits at the table, across from Cassie. He seems more calm and settled at this point. \*

MATTHEW

Where were we?  
Ândî endaniziyengoban? \*

Matthew and Cassie's voices are progressively less audible as we pan out, through the window and out of the Astro Cafe. \*

EXT. MACLEAN BRIDGE - NIGHT

The battle resumes.

Kade swings his sword at Appolyon, who steps back, dodging his strike and Appolyon catches the hero with a powerful backhand, sending him out of frame.

Candace Crow helps the warrior back to his feet.

KADE

We must find a weakness!  
Mâmakâdj ke-mikameng eji-jâgozîdj!

CANDACE CROW

Kind of hard when he keeps hitting  
us.  
Kenowek igodj ânimad kidayânike papakitewigonân.

KORE

Well, let's hit back! Tori! Fire  
me!  
Ânw `sa, pakitewâdâ kaye  
kînawind! Tori! Sakawishin!

Tori Isaacs nods, then telekinetically picks up Kore and fires him directly at Appolyon. Kore races toward the villain, heads down and horns first.

At the last second before they collide, Appolyon fires off a fireball that causes Kore to go off course and in to the river. \*

Appolyon launches another fireball that goes in her direction. \*

Kade jumps in to the way of the fireball. He launches back and he and Tori are both knocked out. \*

CANDACE CROW

Guess I'm up!  
Nîntam `sa kône!

Candace Crow dodges Appolyon's attacks and makes her way to him, before launching a barrage of aerial attacks, punches and kicks. \*

A few catch him, staggering him, before he regains his senses and narrowly misses her with a blow.

Appolyon fires off a fireball at Rex, who creates a magical shield to block the attack.

PHILOSOPHER REX

Candace! Get out of there! We need  
to regroup.  
Candace! Akotân `indaje! Mâmakâdj  
ke-mâmandôseng.

CANDACE CROW

Are you kidding me?  
Anisha na kidij iye?

PHILOSOPHER REX

Pull back, before you get hurt!  
Ajehîn, kidji-bwâmashe wîsigâpinen!

CANDACE CROW (O.S.)

I can take care of myself, Rex!  
Nigashkito kidji-ângwâminidizoyân, Rex!

A THUD, then Rex turns his head as an unconscious looking Candace flies past him. \*

REX

Oh, dear.  
Ân tash, âpidje.

JAS

Rex, its not looking good.  
Rex...Kâ'n minonâgosinôn. \*

INT. CAFE - NIGHT

Cassie and Matthew sit at their table, talking. Matthew shakes his head, chuckling shyly. \*

CLOSE-UP: \*

Matthew's ear. \*

PATRON (O.S.) \*

Did you hear about this thing downtown? Sounds like these *super* guys are just about done for. Kigî-nôndâgena na iya awegwendog odenawing? Kodjinish igodj pimi-ishkwâyenindâgozeg apîtenindjiganag.

We close in on Matthew's face. He turns in the patron's direction, only to notice it's Jack and Nigig behind him. \*

JACK (V.O.) \*

(telepathically) \*

Do the right thing, kid. Save 'em.  
Save her.  
Kwayak ijichigen, abinôdjînsh. Agwâshim igeg. Agwâshim. \*

Jack winks at Matthew, while Nigig has his back turned towards him, before both dissolve into thin air. \*

MATTHEW

Huh?

Huh?

Matthew turns to Cassie, a look of concern washes over his face.

CASSIE

Matt, are you alright?

~~M~~

Matt, kego na kidind?

MATTHEW

Huh? Sorry, I thought I saw someone...

Huh? Kâ'n ningodinenimishiken, nigî-inenindam âwiyeg kî-wâbamag...

He frowns, thinking hard, before standing up.

MATTHEW (CONT'D)

Cass, listen I-- As much as I may want to... I can't be here- I can't do this right now.

Cass, pizindan ni -- ânawe minigik wâ-dôdamân... kâ'n nidâgî-danizisînâban 'ondaje - kâ'n nigashkitôsî kidji-dôdamân iyo teshigodj.

(MORE)

MATTHEW (CONT'D)

(beat)

I've gotta go.

Mâmakâdj ked-ani-mâdjâyân.

Cassie looks up at him, shocked and puzzled. Matthew looks crushed, himself, by this decision.

CASSIE

But-- Matt--

Awegonen tash - - Matt -

He's already headed for the door.

MATTHEW

I'll make it up to you.

Keshk minawâdj niga-gîshitôn ondje kîn.

END OF ACT ONE

ACT TWO

EXT. THE ASTRO CAFE - ALLEYWAY - NIGHT

In a flash, Matthew transforms into Kagagi.

KAGAGI

The right thing, huh?

Kwayakosing, huh?

Kagagi looks down...

He holds the Omega Stone in his hand.

KAGAGI (CONT'D)  
I'll beat Appolyon the old  
fashioned way. I need *this* for the  
Windigo.  
Niga-jâgodinâ Appolyon endôdamonâniwangiban iko.  
Nidandawenindân awaso ondje Wîndigo.

Kagagi pulls open the orb on his wrist gauntlet and places the Omega Stone within, then closes it. He thrusts his arms upward and flies off!

KAGAGI (CONT'D)  
Then I'll make it up to Cassie.  
Mî tash kidji-awi-gîshitôyân `e mâmawe Cassie.

EXT. STREET - NIGHT

Tommy makes his way down the street, not paying attention to what goes on around him.

TOMMY  
Wow! This is crazy!  
  
Wow! Kîwanâdjiwebad!

Tommy has his head up and runs in to someone. He falls to the ground.

TOMMY (CONT'D)  
Oof!  
  
CASSIE  
Tommy? Oh, sorry, here.  
Tommy? Oh, kâ'n nigodinenimishiken.

Cassie reaches her hand out to Tommy.

Tommy reaches up and stands.

TOMMY  
What are you doing here?  
Awegonen wejitôn `ondaje?  
  
CASSIE  
Matthew left early... He had  
something to attend to.  
Matthew wîbadj kî-mâdjî...Odayânâban ningodiji kidji-  
ijâdj.

TOMMY  
You're not going home just yet.  
Look!  
Kâwin teshigodj kigîwesî.  
Nôgosha!

CASSIE

(growing excited)

Are we going?

Kidijâmin na?

Tommy points out toward the bridge and the energy that lights the night sky.

TOMMY

Of course! Let's go.

Enh enh. Mâdjâdâ.

EXT. MACLEAN BRIDGE - NIGHT

The Intrinsic, save Philosopher Rex lay in defeat, unconscious around the bridge. Rex fires a magical beam of energy at Appolyon, who staggers backward. Rex presses forward, firing the beam in a continuous arc, approaching Appolyon, slowly.

PHILOSOPHER REX

As long as one of us stands,

Appolyon, you'll face defeat.

Tebinâk pejig kînawind nânîbawidj, Appolyon, kiga-wâbandân shâgodiniwewin.

Appolyon grunts, planting his feet firmly on the ground as the beam continues to strike his chest. With a powerful effort, he steps forward himself, sending the beam back at Rex!

Rex falls to his knees.

Appolyon shakes off the beam's effects and stands before the magician.

APPOLYON

And when none of the Intrinsic

stand, who will oppose me? I win,

Philosopher Rex.

Apîch ega Intrinsicog ega nânîbawiwâdj awenîn ke-nanâkonidj? Nibakinwâge, Kikenindama Rex.

EXT. STREET - NIGHT

Cassie and Tommy are making their way to the bridge, running. Tommy is getting tired, HUFFING and PUFFING. He pauses, placing his hands on his knees hunched over.

TOMMY

No more! I can't do it!

Kâwin awashamej! Kâwin nigashkitôsî kidji-dôdamân `e!

CASSIE

(sounding like a gym  
coach)

C'mon Tommy, move it! We're almost  
there.

Ondâs Tommy, mândjân! Âjaye kegâd kidagoshinimin 'îndî.

We see the glow from the bridge grow stronger, brighter.  
Tommy gets a sudden burst of energy.

TOMMY

Okay... I can do this!

Ângemâ... Nidâ-gashkitôn 'o!

EXT. MACLEAN BRIDGE - NIGHT

Appolyon stands before Rex, still on his knees. Appolyon  
grins, menacingly. Rex tries gamely to lift his staff, but  
Appolyon calmly bats it from his hand.

APPOLYON

The champions of this universe have  
fallen before me.

Kâ-bakinwâgedjig 'ondaje âdjiwekamig âjaye kî-  
bangishinôg.

(laughs, menacingly)

An army of Stygians will invade  
soon!

Stygian shimâganag kiga-mîgânigonânig wâwîbadj!

Appolyon leers, until we see his eyes grow wide in disbelief.

APPOLYON'S POV:

KAGAGI

Not all of 'em, ugly. You forgot  
about me.

Kâwin kakina, mânâdiz. Kigî-wanîkâj.\*

APPOLYON

I thought I told you to stay away,  
bird!

Nidinenindam kî-ininân kidji-ega-bîjân, pineshîns!

Appolyon ROARS and motions as if to attack, but Kagagi zooms  
toward him, firing off energy disc shots from his gauntlets  
that strike the villain in the face, blinding him, before  
landing an aerial kick that sends Appolyon back.

Kagagi meets up with Rex.

REX

Kagagi. I was wondering where you  
were...

Kâgâgî. Nigî-daji-mamidonenindam  
ândî endaniziwanen...

KAGAGI

I'm here now!

'Ondaje 'sa nidandaniz âjaye!

Rex looks at Kagagi with a very serious expression.

REX

We cannot change what we are... *Who*  
we are.

Kâwin kigashkitôsîmin kidji-ândjîdizoyeng.

Kagagi turns back toward Appolyon who has now gathered his strength. He looks, menacingly, toward Kagagi and Rex before looking up toward the inter-dimensional portal atop the bridge.

Appolyon launches himself upward toward it!

Rex grasps Kagagi by the arm.

PHILOSOPHER REX

Go! Stop him!

Mâdjân! Nôngin!

Kagagi nods, then lifts off, racing upward in hot pursuit!

EXT. MACLEAN BRIDGE - NIGHT

Cassie and Tommy enter the bridge area. We hear sirens and screams in the background.

CASSIE

Oh my gosh! Did you see that  
fireball?

Ofowa! Kigî-wâbandân na iye  
ishkodeminag?

TOMMY

This is bigger than anything I've  
ever heard of... There's no way  
they can pass this off as a gas  
leak. Look!

Kinawe mishâ awaso tash kaye kego kê-nôndâgeyân... Kâ'n  
tâ-gashkitôsîg kidji-ikidowâdj pôtâganâbo  
ondjigawang. Nôgoshâ!

A fireball whizzes by them. Tommy narrowly dodges as he films with a cell phone.

CASSIE

Watch out! Now *that* was a close  
one!

Ângwâmîn! Kenwek igodj peshodj wîn iye!

TOMMY

Cassie, listen, this could be real dangerous, maybe I should go alone—  
 Cassie, pizindan, tâ-nanîzânad iyo, konima tâ-minose  
 nishike ijâyân --

\*

CASSIE

Oh, you're gonna pull a fast one on  
 me now, Wetzsel? No way! I'm in on  
 this as much as you!

\*

Oh, kiga-dadâtibî wîkôbidôn na  
 âjaye, Wetsel? Kâwin kinagena!  
 Nigî-bîndigese kaye nîn maya  
 igodj kîn!

TOMMY

Hey! Look, up there!  
 Nôgishâ, ishpimîng!

Tommy points upwards. We can see the disc glowing atop the  
 bridge and Appolyon and Kagagi above.

\*

EXT. MACLEAN BRIDGE - NIGHT

Kagagi and Appolyon are engaged in an aerial brawl. Kagagi is  
 managing to dodge Appolyon's attacks, however his own attacks  
 seem to have little to no effect.

Kagagi lands a powerful blow that sends Appolyon reeling, but  
 he quickly regains his composure.

KAGAGI

Geez! What do I need to do to take  
 this guy out?  
 Mî `sa minawâdj! Ânîn ke-dôdamân  
 kidji-akonag owa?

APPOLYON

You cannot, Kagagi. All you do is  
 delay the inevitable.  
 Kâwin kidâ-gashkitôsî, Kâgâgî.  
 Eta igodj kiwîkâdiwitôn ked-  
 ijiwebak.

Kagagi rushes Appolyon with several powerful blows, before  
 Appolyon roars back with one of his own that Kagagi narrowly  
 ducks.

KAGAGI

(to himself)

Whew! That was close. Come on,  
 Kagagi... You can take this guy!  
 Whew! Kenwek igodj peshodj. Ondâs, Kâgâgî... Kidâ-  
 odâpinâ owa ininî!

\*

\*

\*

Appolyon reaches up at Kagagi, grasping him and pulling him  
 in close, into a bearhug! The demons squeezes, tightening  
 ever stronger, as we see Kagagi struggle to withstand the  
 force the villain exerts.

Kagagi's eyes glow grows dimmer and dimmer as Appolyon squeezes even tighter. \*

Kagagi looks over at his gauntlet... \*

KAGAGI (V.O.) (CONT'D) \*  
(thinking) \*  
The Omega Stone would help right \*  
about now... Nah. I can do this! \*  
Omega Asin tâ-wîdôkâzômagadôban... Kâ. Nidâ-gashkitôn \*  
iyo! \*

Kagagi's voice reveals the extent of his struggle as he speaks. \*

KAGAGI (CONT'D) \*  
You screwed up, ugly. Last time I \*  
tried this, I missed. This time? \*  
Kigî-nishawinâdikamigiz, mânâdiz. Ishkwayâdj kâ- \*  
gagwedjitôyân, iyo nigî-binawa. Nôngom tash? \*  
(beat) \*  
Point... \*  
Inôhigen... \*

We see Kagagi begin to glow, brightly, in purple energy. \*  
Appolyon looks puzzled before we get a glint of recognition \*  
in his expression. His eyes grow wide with fear! \*

KAGAGI (CONT'D) \*  
Blank! \*  
Shîgwâ! \*

Kagagi explodes out of the hold; literally, with his powerful \*  
bird shaped, purple energy attack! \*

It is loud, massive and immeasurable at this range and sends \*  
Appolyon screaming down into the asphalt on the bridge floor \*  
below. Kagagi falls, plummeting, before grabbing a hold of \*  
one of the beams atop the bridge. He PANTS, catching his \*  
breath, the attack taking near everything out of him. \*

Slowly, Kagagi manages to pull himself up so that he can \*  
stand atop it. \*

KAGAGI (CONT'D) \*  
(between breaths) \*  
Huh... I... Think... I got him. \*  
Huh... Ni... pâkwâ... Nigî-oditinâ. \*

Just then, a massive hand grasps Kagagi's ankle! He looks \*  
down, in disbelief as we see Appolyon, holding his leg. \*  
Appolyon races upward, until Kagagi can finally kick free. \*  
Appolyon LAUGHS. \*

APPOLYON

That was a good shot, boy. I'm almost impressed. Your luck, however, appears to have run out! Kigî-mino-bâshkizige, kîwisens. Kegâd igodj kidapîtenimin. Kiminwâbimewiziwin kodjinish kî-bimi-djâgishkâ!\*

Appolyon hurls a fireball at Kagagi, who ducks it in mid air, before shaking his head.

KAGAGI (V.O.)

(thinking)

Can I beat him?

Nidâ-bakinawâ na?\*

KAGAGI'S POV:

His gauntlet fills the frame.

KAGAGI (V.O.)

(thinking)

No! I can't use the stone!

Kâwin! Kâ'n nidâ-gashkitôsî kidji-âbadjitôyân asin!

Appolyon fires off some more fireballs. Kagagi dodges them, but in doing so, doesn't realize he has allowed Appolyon to get close to him.

Kagagi looks up and sees Appolyon's fist, covered in flames, screaming straight at him.

The blow lands! Kagagi is sent careening into one of the steel beams atop the bridge.

He pulls himself up and watches as Appolyon lands beside the disc and grasps the dial.

APPOLYON

Ha! To actually think you'd stand even the slightest chance of defeating me?

Ha! Maninâg igodj kidji-inenindaman kidji-bakinawin?

Appolyon activates the Gate and energies start to swirl around.

APPOLYON (CONT'D)

Imagine what I shall make of this world once my legions arrive.

Ked-ijitôwâmbânen awaso akî apîch tagoshinowâdj wîdôkawâganang.

He LAUGHS, evilly, yet again.

Kagagi watches energy stream from the disc more powerfully than it had before! The bridge starts to shake beneath the power it emits.

CLOSE-UP:

At the disc's center is a (still) image of a group of Stygian demons.

Suddenly, Cassie SCREAMS off-screen and now, Kagagi sees Cassie and Tommy on the bridge below.

KAGAGI  
 (loud enough for Appolyon  
 to hear)  
 Cassie! Tommy!  
 Cassie! Tommy!

Appolyon points down toward Cassie and Tommy, in a threatening fashion.

APPOLYON  
 You care for these mortals!  
 Kidapîtenimâg na ogog pemâdizidjig! \*

We see Kagagi's face shift into an expression of shock, horror, then anger.

APPOLYON (CONT'D)  
 Good to know, hero. I will make an  
 example of them both! They will be  
 the very first victims of my reign  
 of--  
 Niminwenindam kikenindamân, apîtenindjigan. Niga-  
 wâbandahiwe ke-dôdawagwâg! Kada-mâmindji-  
 nitamishinog kego ked-inâpinanagwâ ked-apîchi  
 nîgânigâbiwiyân -- \*

Just then, Kagagi reaches his arm forward, holding the Omega Stone. It glows with immense power!

KAGAGI  
 Never!  
 Kâ'n wîkâd!

Energy streams out from the Omega Stone at lightning speed, wrapping around Appolyon!

He ROARS in agony.

APPOLYON  
 What? No!  
 Awegonen? Kâwin! \*

Appolyon is sucked in the stone!

KAGAGI  
 That'll teach you!  
 Kiga-gikinâmon! \*

Kagagi looks up at the still active trans-dimensional device and speeds at it, crashing into it and sending it hurtling into the river below with a loud SPLASH!

UNDER WATER: \*

It sinks and breaks as it hits a rock. \*

EXT. MACLEAN BRIDGE - NIGHT

Cassie and Tommy look upward at Kagagi. Both are awestruck;  
Tommy continues to film.

CASSIE

Tommy... Are you getting this... \*

It's... \*

(smiles, shyly) \*

Kagagi.

Tommy... Kidayân na iye ... Mî iye ...  
Kâgâgî\*

Kagagi hovers above and looks downward at his friends  
briefly.

As he looks at Cassie, his eyes glow brightly - then he turns  
and soars off once more into the night sky.

CASSIE (CONT'D) \*

Glowing eyes... I could've sworn \*

I've seen them before.

Wâsânjeniwân oshkînjigôn ...Nigwayakwenindam âjaye kî-  
wâbandamân ine ningodin. \*

Tommy films Kagagi as he departs. \*

TOMMY \*

There he is... The man himself.  
Mî awasa ... Ininî tibinawe.\*

EXT. SKY - NIGHT

Kagagi flies off.

KAGAGI

The Omega Stone... Used up... At \*

least Tommy and Cassie are safe.  
Omega Asin ... Kî-djâgî-âbadad ... Kanage igodjiwîn Tommy  
ashidj Cassie kâwin nanîzânizisîg.\*

He notices Jack standing on a rooftop in the distance.

KAGAGI (CONT'D)

Jack? \*

Jack?

EXT. RANDOM ROOFTOP - NIGHT \*

Kagagi launches to Jack's side. \*

JACK  
Kid, you okay?  
Abinôdjînsh, kê'n na kego kidinisî?

KAGAGI  
Yeah, I'm cool.  
Enh enh, niminwâyâ.

JACK  
I saw what happened-- Look...  
Nigî-wâbandân kê-ijiwebak - Nôgosha...\*

JACK AND KAGAGI'S POV:

The Intrinsic, levitated by Philosopher Rex, descending  
alongside them. Philosopher Rex and Kade approach.

\*

\*

## PHILOSOPHER REX

Kagagi, my apologies. It would appear I judged you too harshly. I assumed you would not be battling at our side, but you saved us all. Kâgâgî, kâwin ningodinenimishiken. Onzâm pâkwâ kigî-madji-odâpinin. Nigî-inwâz ega kidji-wîdôkawiýâng nînawind inakâg, kigî-agwâshimimin tash kakina.\*

Kagagi casts his gaze downward and reaches a hand out, offering the Omega Stone to Rex.

## KAGAGI

Take this. Keep it safe. Appolyon is trapped in it; I've got my own problems to worry about, now. Odâpinan iyo. Ayângwâminan. Appolyon 'indaje abe kâ'n kadâ-gashkîwisî; nîn tibinawe nidýânan ke-nôdjânimenindamîgoyân.

## PHILOSOPHER REX

I understand. We must depart. Farewell, Kagagi. Wisakedjak. Ninisidotam. Mâmakâdj ked-ani-mâdjâyân. Mâdjâshin, Kâgâgî. Wisakedjak.

Kagagi and Jack nod. Rex turns to join the rest of his group. Kade looks seriously at Kagagi for a second.

## KADE

You have done your legacy proud, Kagagi. You are truly the champion of your people. Kigî-mino-bimiwinidiz, Kâgâgî. Kegetinâm igodj kidapîtenimigog kibimâdzîmag.

He turns to leave, as Kagagi looks baffled. Jack shrugs his shoulder, pensively. The Intrinsic fly off into the night sky. Kagagi nods at Jack and turns to depart as well.

## JACK

Kid, hold up. I know what you did back there; using the Omega Stone, like that... Must have been a hard decision. Abinôdjînsh, pâbîwon. Kigîkenimin kâ-dôdaman 'îndî ishkwâyâng; kâ-inâbadjitôn Omega asin... kî-ânimadidok kidji-gîjenindaman.

Kagagi pauses, deep in thought.

KAGAGI

Nothing has changed. I had the chance to help, so I did, that's all. That doesn't make me a super hero; if the Windigo returns, I'll do what I need to if it means I could be me again. \*  
 Kâwin kego kî-meshkodôsesinôn. Nigî-wâbandân kidji-wîdôkâzoyân, nigî-dôdam tash iye, mî iye. Kâwin nimînigosîn iye kidji-apîtenindâgoziyân; kîshpin Wîndigo koki pîjâdj, niga-dôdam wâ-dôdamân kîshpin mînigôyân kidji-âwiyân nîn minawâdj.\* \*

Kagagi looks up... \*

KAGAGI'S POV: \*

Watching Rex flying the Intrinsic away.

KAGAGI (CONT'D)

I just can't help but think... I wish I had a team of heroes to help me. \*  
 Kâgige nidinenindam ... kegona ayâwigwâban ningodwân meno-wîdôkâzodjig kidji-wîdôkawiwâdj.\* \*

Kagagi turns to walk away. We hear voices come from the street below. It is Cassie and Tommy. \*

INT. NIGIG'S OFFICE - NIGHT \*

Nigig stands by the window, facing the MacClean bridge. \*

NIGIG \*

Well done, Kagagi.  
 Kigî-mino-dôdam, Kâgâgî.

Suddenly, a CREAK. \*

Nigig turns, only to see a big, shadowed creature before him. \*  
 The creature charges Nigig, sending him into the glass window. \*

Nigig stirs, woozy as the hand of the Windigo reach down into frame, touching Nigig's chest. \*

We see a bright yellow glow emerge from Nigig's chest, moving up into the hand and arm of his attacker, as the hand absorbs the energy!

CLOSE-UP: \*

Nigig's eyes grow wide with shock and terror. \*

NIGIG'S POV: \*

The Windigo hovers before Nigig, his fist glowing bright yellow. \*  
 WINDIGO

KAGAGI: THE RAVEN

APPOLYON

24.

There's no way Kagagi stands a  
chance now, not when Windigo has  
stolen your power!

Kâ'n âjaye Kâgâgî odayâsîn kego ked-ayijîdj, memindage  
igodj Windigo kî-gimôdidj kimashkawizîwin!

Nigig looks aghast at this. The Windigo ROARS with mad, evil  
LAUGHTER.

END OF ACT TWO

CUT TO BLACK.
