

# Holy Spirit / Pentecost

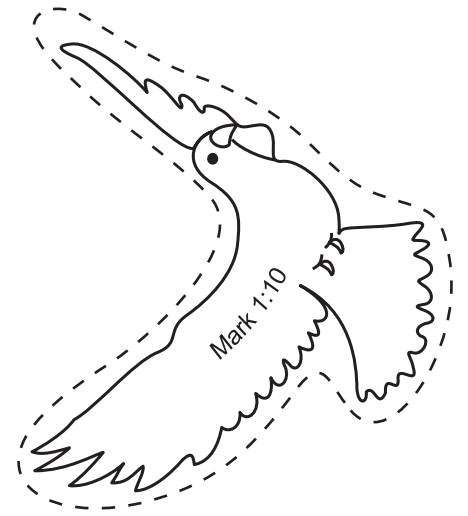

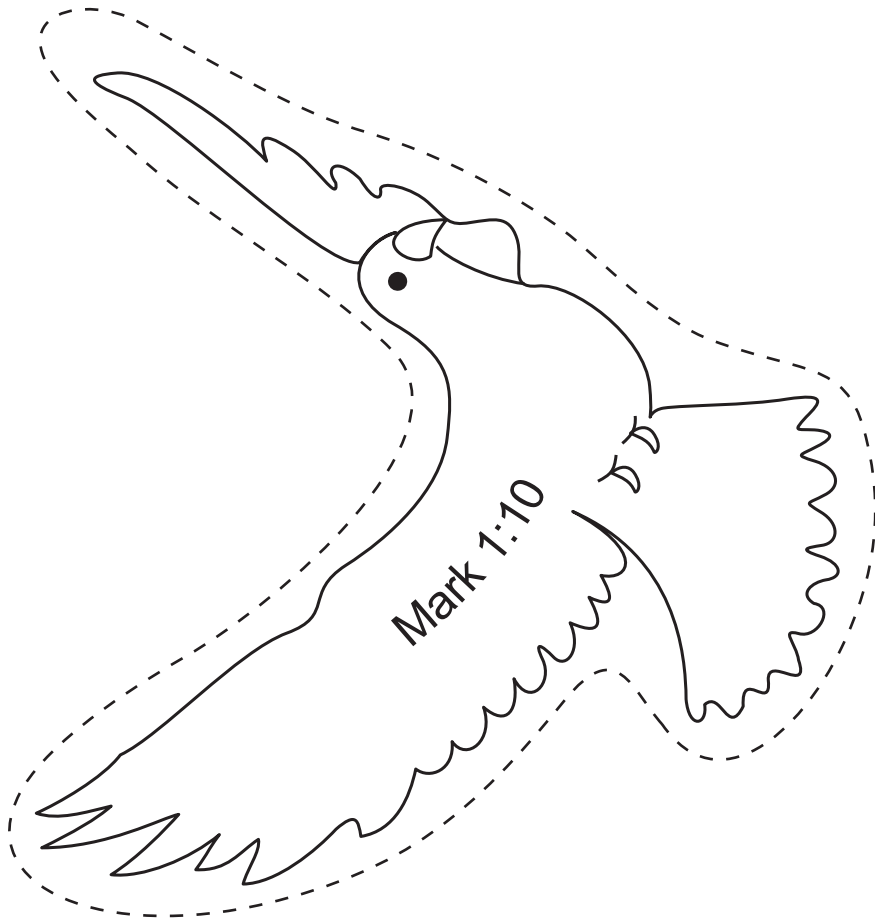

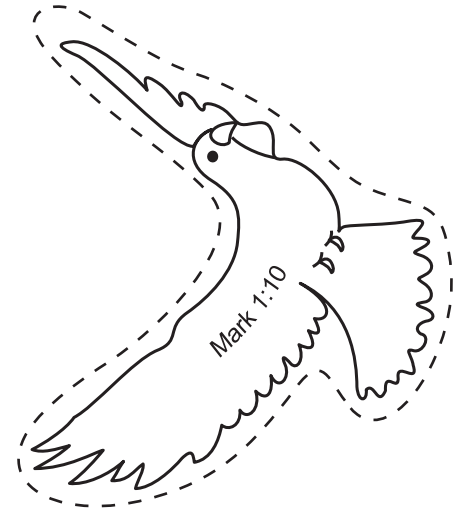

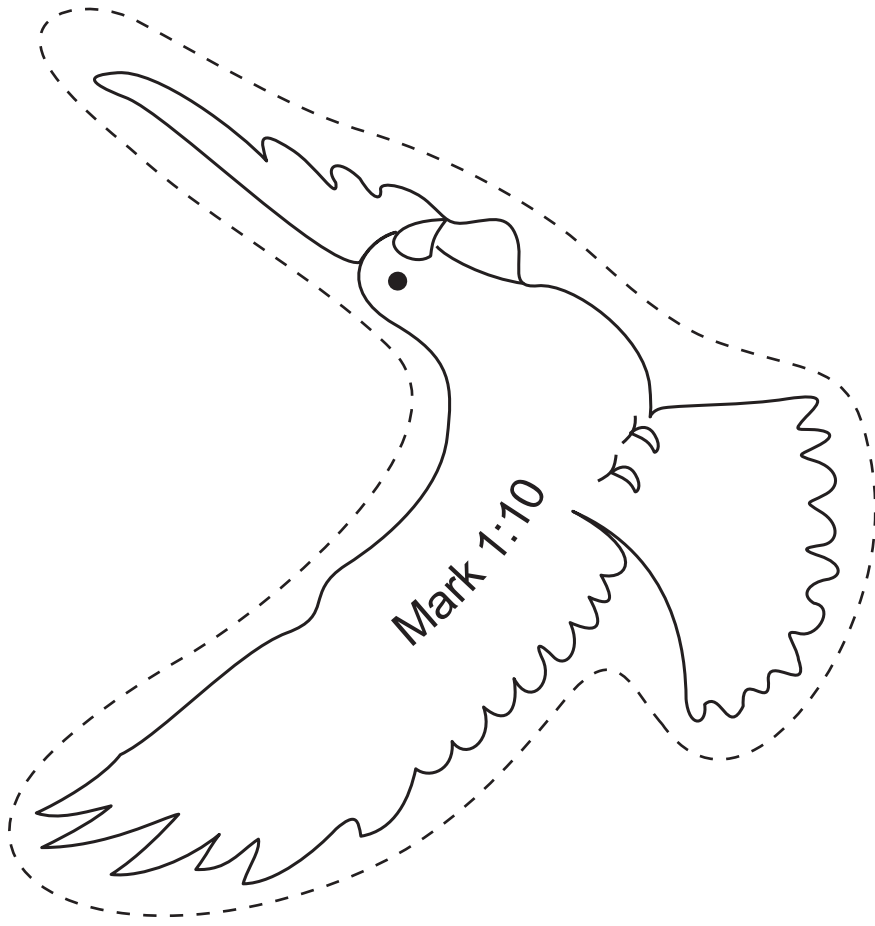

What you will need:

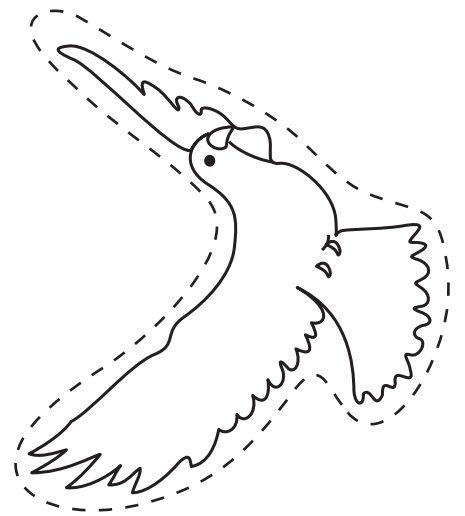

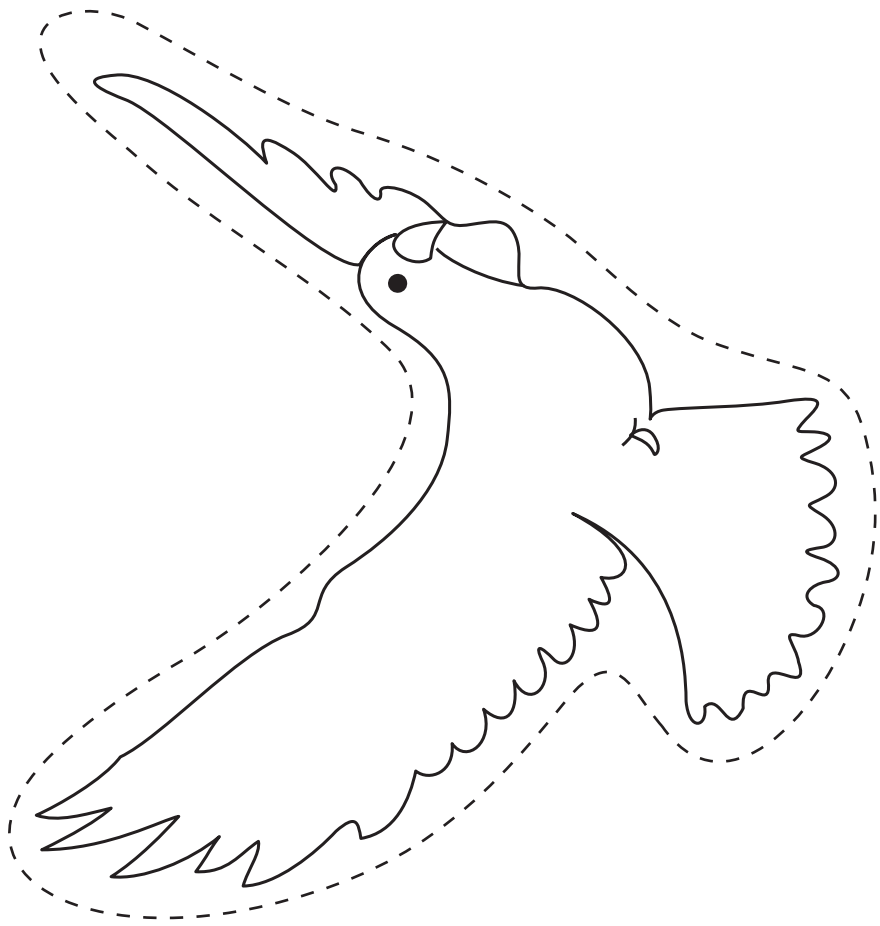

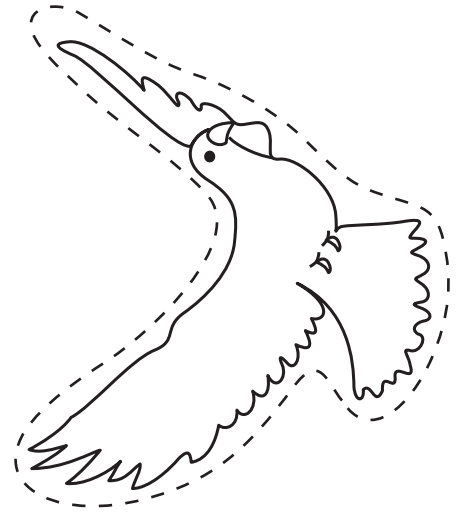

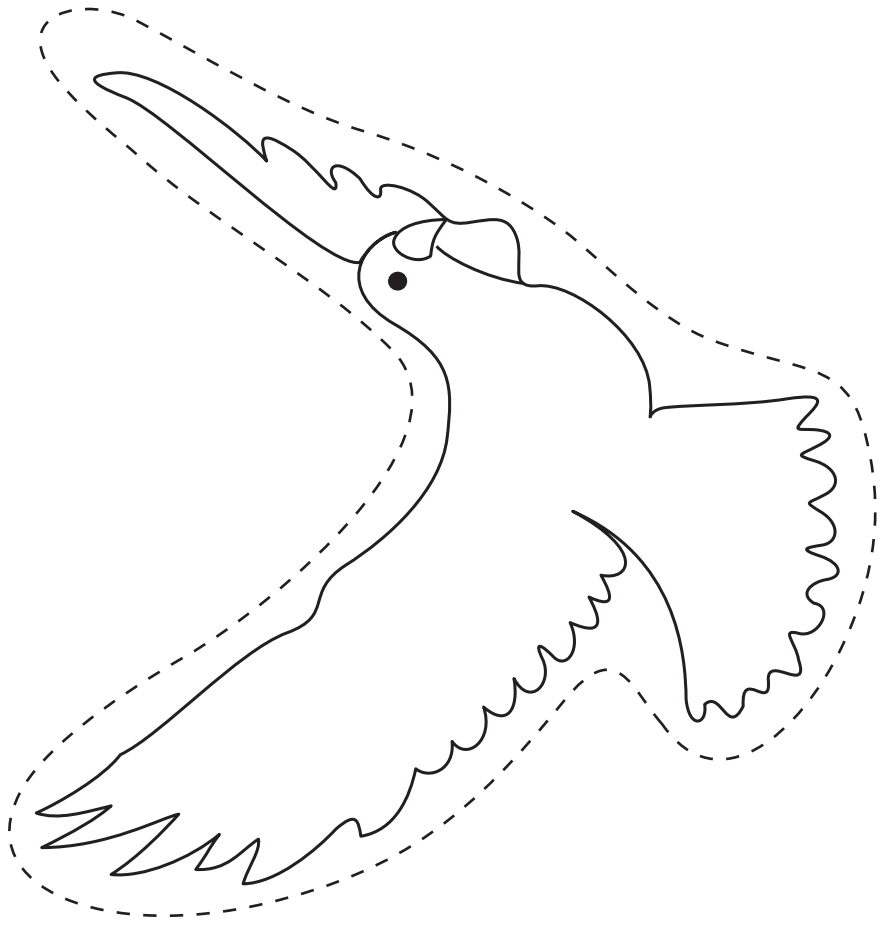

- Printed templates of dove and flames. Use construction paper/card - preferably orange or yellow for the flames.
- Dowel sticks
- Cotton or string
- Clear tape and glue
- Scissors

Instructions

- Cut out the dove and flames and tape a cotton thread to the back of each. There are two sizes of pictures to choose from, and with or without verses.
- Tie the other end of the cotton thread to the dowel sticks as shown below. Keep the cotton threads quite short so that they don't get tangled.
- Move the knots along the dowel stick until everything balances, then place a drop of glue on the knots to keep them from sliding around.
- Let the mobile hang freely so that it can turn in the breeze.

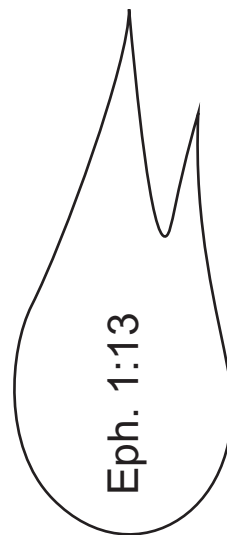

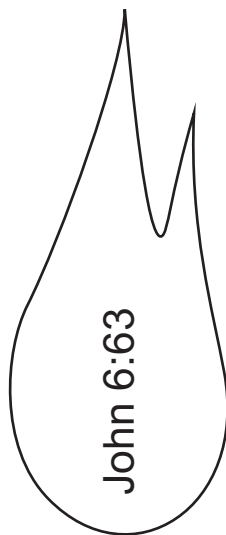

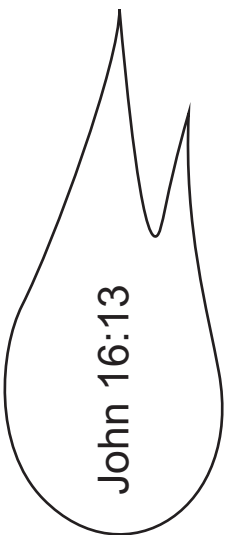

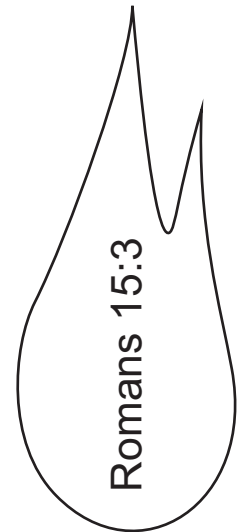

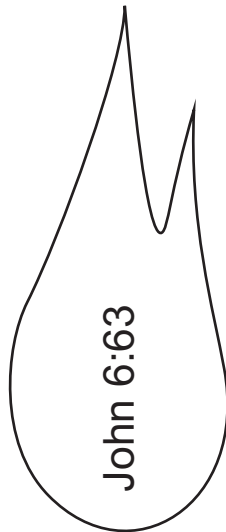

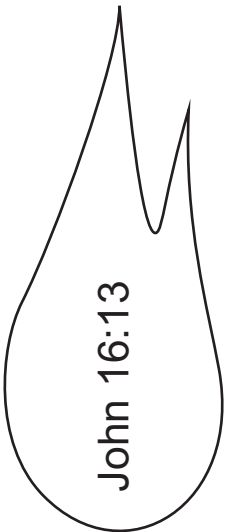

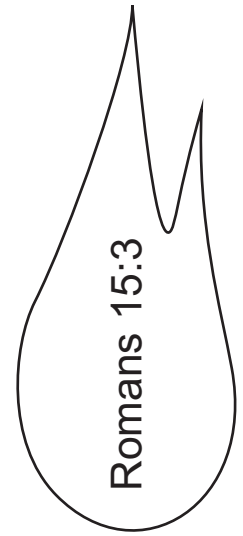

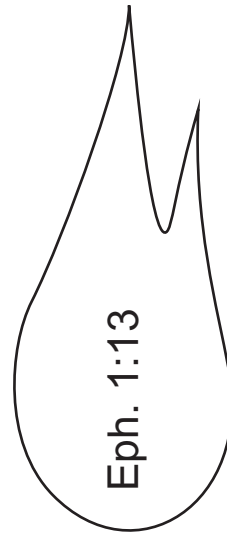

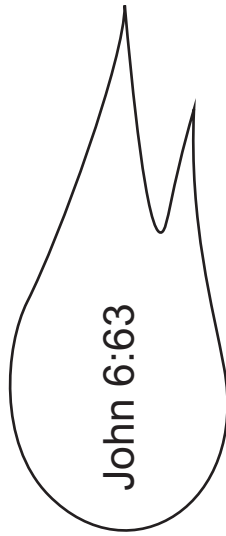

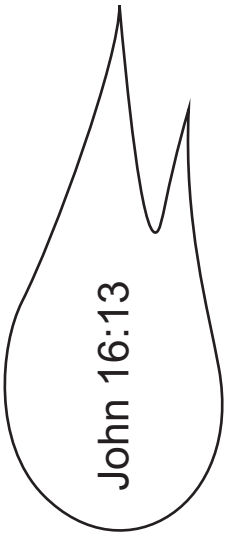

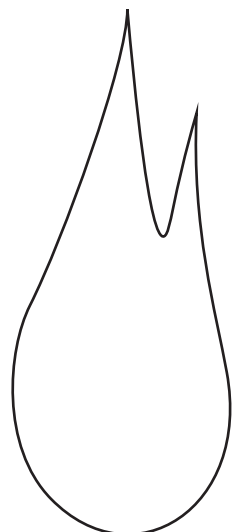

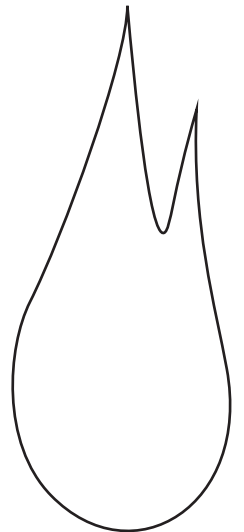

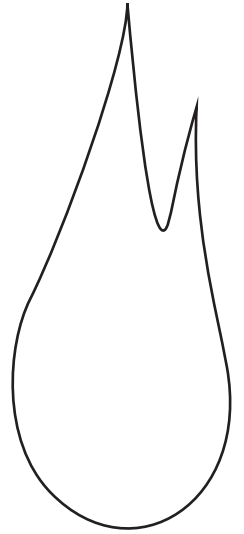

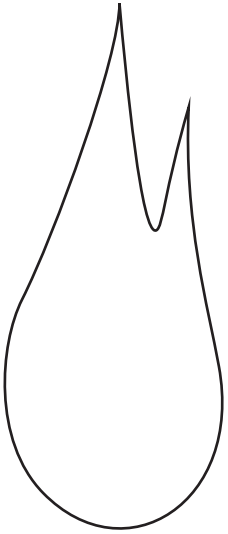

Use orange or yellow paper/card

Choose any three flames
