

Trinity

What you will need:

- A printed template of page 2 (use construction paper/card)
- Paper glue (e.g. a glue stick)
- Scissors
- Optional: Page index tabs

Instructions

- Cut out disk A and B. Cut slits along the three dotted lines on disk A.
- Spread some glue in the centre of disk B.
- Carefully place disk A on top of disk B as shown below and press together on the glued area.
- The three flaps can now be lifted to reveal distinctive characteristics of the Godhead.
- Optional: place an index tab on each flap.
