

“Stained glass” cross

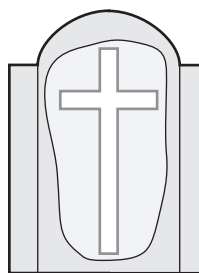

- 1 Print page 2 (or alternative - page 3) on construction paper (cardstock).
Cut out the windows. (There are four on a page.)

- 2 Fold the window in half in the length and cut out the cross.
Open it again.

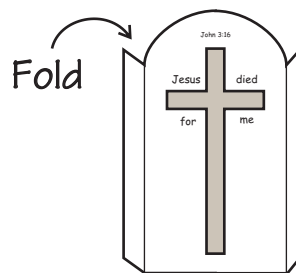

- 3
 - a. Glue colored cellophane (or transparent plastic) onto the back of the card.
 - b. Fold the side flaps back so that they are at 90deg to the front panel.
 - c. Print page 4 on card and cut it into strips along the guidelines.
Glue a strip to the side flaps at the bottom of the window as shown in order to stabilize it.
 - d. Place the craft on a windowsill so that the light shines through the cross from behind.
