

Helmet of Salvation

Ephesians 6:11, 17

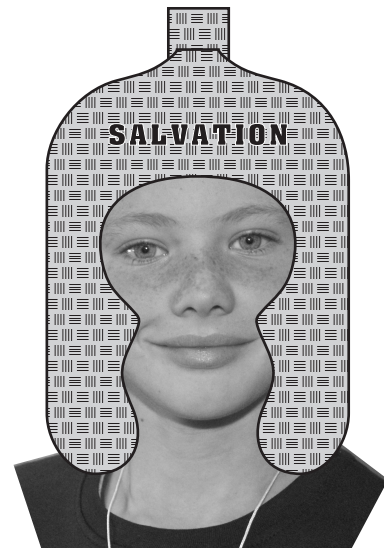

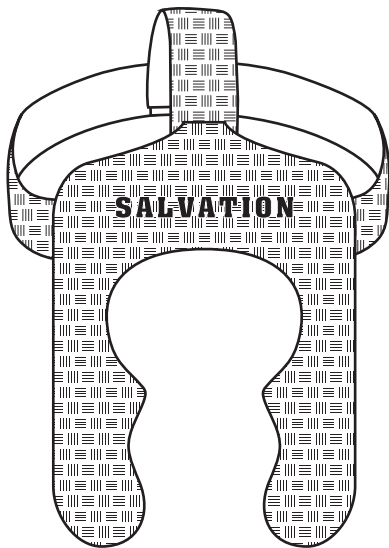

Put on the full armor of God so that you can take your stand against the devil's schemes. Take the helmet of salvation and the sword of the Spirit, which is the word of God.

What you will need:

- A print of the template (page 3 and 4) on construction paper (card).
- Glue stick
- Scissors
- Optional: two ice cream sticks

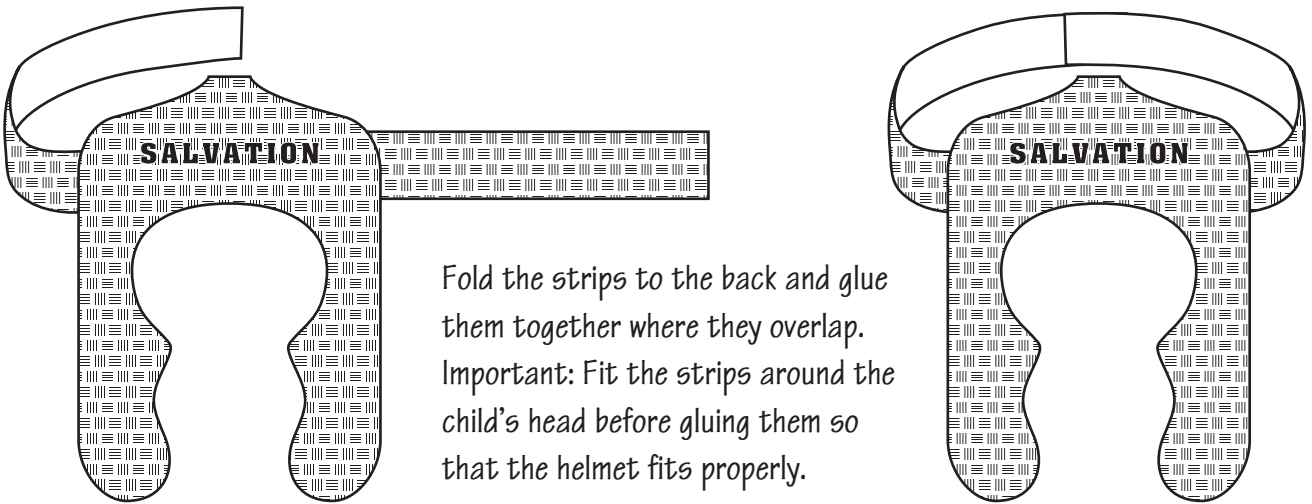

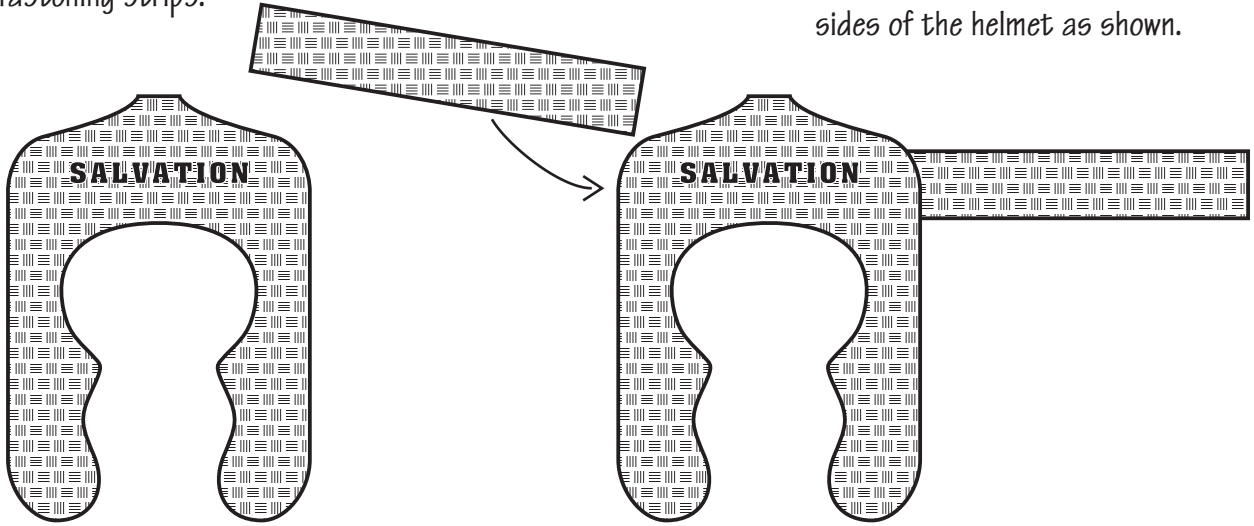

Instructions:

- Follow the instructions on the next page.

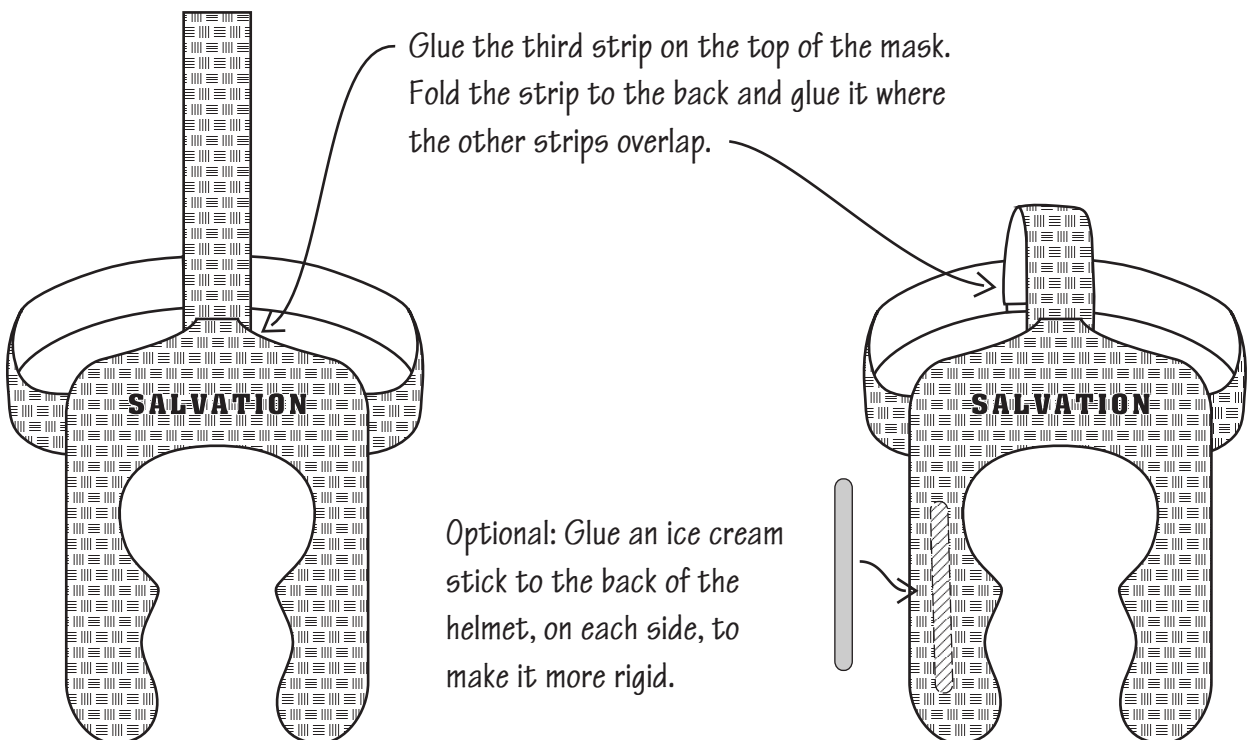

Cut out the helmet template, as well as the 3 fastening strips.

Glue fastening strips to the sides of the helmet as shown.

Fold the strips to the back and glue them together where they overlap. Important: Fit the strips around the child's head before gluing them so that the helmet fits properly.

Glue the third strip on the top of the mask. Fold the strip to the back and glue it where the other strips overlap.

Optional: Glue an ice cream stick to the back of the helmet, on each side, to make it more rigid.
