

Making wise choices

Wisdom for every situation

This craft is a practical guide to some of the wisdom found in the Bible. Although the actual verses aren't used (due to lack of space), a summary of the verse, plus the Bible reference, provides practical advice for everyday life.

Things you will need:

Per child : The three templates printed on construction paper (card).

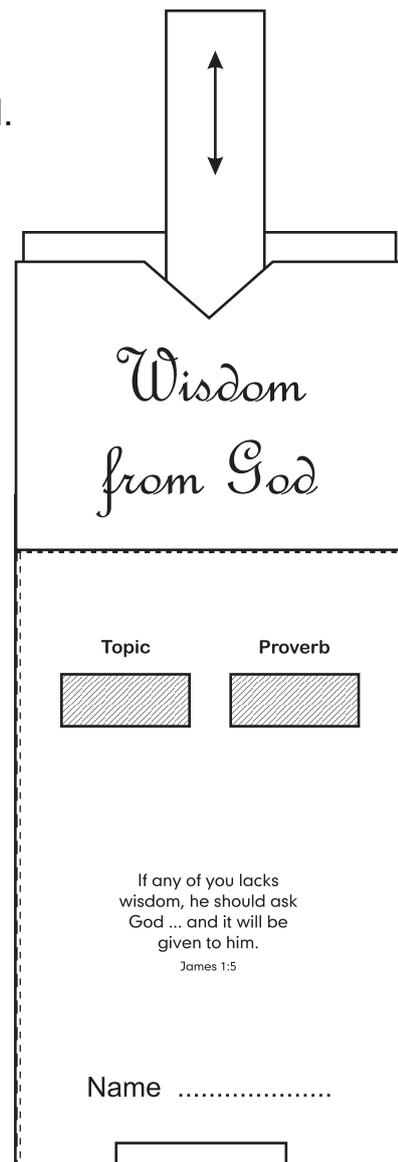

Per group : Paper glue.

Scissors.

Optional: things to decorate the card.

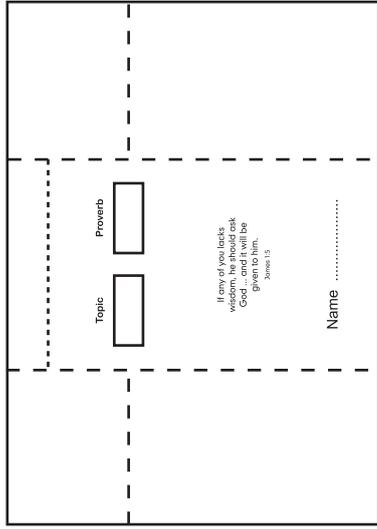

Construction

- See instructions on the next page.

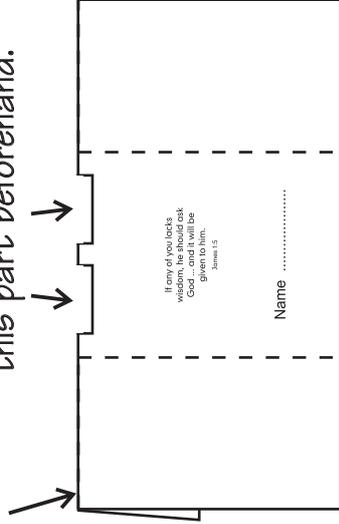

Making wise choices

Folder

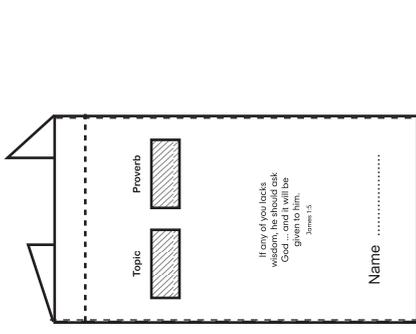

1. Fold along line.

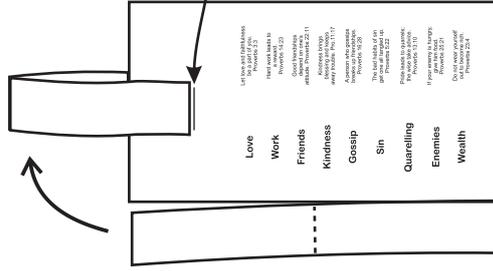

2. Cut out the two windows. It may be best to prepare this part beforehand.

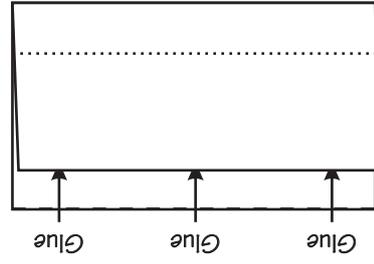

3. Fold the side flaps to the back along the dotted line.

Selector card

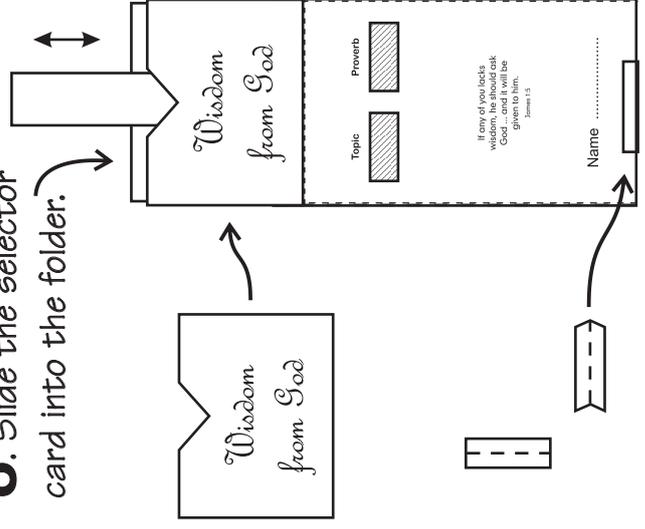

4. Glue the one flap on to the other.

Back view

Glue on to the front and back to form a loop using the line as a guide.

8. Slide the selector card into the folder.

6. Cut out the banner and glue it to the top part of the card, aligning it with the dotted line.

7. Cut out the little tab. Fold it along the dotted line and glue it around the bottom of the card.

5. Cut the side strips in half and glue it in the middle of the selector card.
