

Making playdough

Basic Playdough

Ingredients

- 4 cups flour
- ¼ cup salt
- 1½ cups water
- 1 tablespoon cooking oil
- To add color: A bit of food coloring or 1/4 cup powder paint

Instructions

- Combine the above ingredients in a bowl and mix (knead). Add more flour if the playdough is too sticky.
- Store the playdough in a plastic bag or container and keep in a cool place.

Rubbery Playdough

Ingredients

- 2 cups baking soda
- 1½ cups water
- 1 cup cornstarch

Instructions

- Mix with a fork until smooth.
- Boil over medium heat until thick.
- Spoon onto a plate or wax paper and let it cool.
