If you want to stand up
Stand up take a bow
Great big smile from ear to ear
Yeah that's right you know how
Turn to the left
Blow a kiss
Turn to the right
Wave like this
It's a time to say hello
So nice to have you here

Track 3

Big stuff

I'm not little no I'm not little
oh no I'm nearly 1
I'm not little you see not little
no no I'm nearly 1

I'm big I'm big
I'm a great big giant with gum boots on
I'm tall I'm tall
a skyscraper and that's not small
I'm a house I'm a house
with 15 floors an a wee small mouse
I'm a plane I'm a plane
I'm a jumbo jet that's bound for Spain

I'm not little no I'm not little
oh no I'm nearly 2
I'm not little you see not little no no
I'm nearly 2

I'm big I'm big
I'm a great big giant with gum boots on
I'm tall I'm tall
a skyscraper and that's not small
I'm a house I'm a house with 15 floors an a
wee small mouse
I'm a plane I'm a plane
I'm a jumbo jet that's bound for Spain

I'm not little no I'm not little
oh no I'm nearly 3
I'm not little you see not little
no no I'm nearly 3

I'm big im big
I'm a great big giant with gum boots on
I'm tall I'm tall
a skyscraper and that's not small
I'm a house I'm a house
with 15 floors an a wee small mouse
I'm a plane I'm a plane
I'm a jumbo jet that's bound for Spain

I'm not little no I'm not little
oh no I'm nearly 4
I'm not little you see not little
no no I'm nearly 4

In my garden theres a snail slimy slowly leaving
trails
And compared to this you see
we're really big stuff you and me

I'm not little no I'm not little
oh no I'm nearly 5
I'm not little you see not little
no no I'm nearly 5
I'm big I'm big
I'm a great big giant with gum boots on
I'm tall I'm tall
a skyscraper and that's not small
I'm a house I'm a house
with 15 floors an a wee small mouse
I'm a plane I'm a plane
I'm a jumbo jet that's bound for Spain
I'm not little no I'm not little
oh no I'm nearly 5

Track 4

I saw a spider

I saw a spider with 8 legs long
tiptoe lightly with the tv on
across our living room floor
She wasn't frightened and nor was i
A friendly spider just passing by
tiptoe lightly on the floor

Tip tip toe as a spider goes
across the floor boards all in a row
Which way next will a spider go
This way that way no one knows

I saw a spider with 8 legs long
tiptoe lightly with the tv on
across our living room floor
She wasn't frightened and nor was i
A friendly spider just passing by
tiptoe lightly on the floor

watch out spider here comes the cat
with a hungry look
can you believe that?
Cos I can't imagine that you'd taste nice
But run like the clappers anyway

I saw a spider with 8 legs long
tiptoe lightly with the tv on
across our living room floor
She wasn't frightened and nor was i
A friendly spider just passing by
A friendly spider just passing by
Tiptoe lightly on the floor

Track 5

Hula Hoop

Theres a hole on top
theres a hole in the middle
Theres a hole underneath
if you wiggle wiggle wiggle
It spins around like a washing machine
It's a hula hoop spin it
now see what I mean

Hu la hula hoop
Hu la hula hoop
Hula hoop spin it now see what I mean

You can hold it up and take a peek
a window on the world
But my favourite bestest thing of all
Is when you twizzle round and round
it whirls

Hole in the middle
On top and underneath
Hula hoop spin it now see what I mean

Theres a hole on top
theres a hole in the middle
Theres a hole underneath
if you wiggle wiggle wiggle
It spins around like a washing machine
It's a hula hoop spin it
now see what I mean

Hu la hula hoop
Hu la hula hoop
Hula hoop spin it now see what I mean

You can hold it up and take a peek
a window on the world
But my favourite bestest thing of all
Is when you twizzle round and round it whirls

Hole in the middle
On top and underneath
Hula hoop spin it now see what I mean

Theres a hole on top
theres a hole in the middle
Theres a hole underneath
if you wiggle wiggle wiggle
It spins around like a washing machine
It's a hula hoop spin it
now see what I mean

Track 7

Butterfly lullaby

Butterfly fold your wings
It's the end of a long day
And a time for sleepy things
You drifted low and high
On the breeze as it sings
And whispers from flower to flower
Laughing children on the swings
Watching clouds in the mirror of a stream
Wander across a blue sky
I wonder what they dream

You drifted low and high
On the breeze as it sings
And whispers from flower to flower
Laughing children on the swings

Track 8

Are we nearly there

Oh when you go somewhere
sometimes it isn't fair
You're so excited to think of all the fun
Are we nearly there
But if I had my way
we'd never travel this way
With just a swish and a wish
it would be done
Are we nearly there

When you go somewhere
sometimes it isn't fair
You're so excited to think of all the fun
Are we nearly there
But if I had my way
we'd never travel this way
With just a swish and a wish
it would be done

Went to the pool
I couldn't wait to get wet
And slide down the slide into the water
Are we nearly there
Are we nearly there

Went to the zoo
come on lets see the gnu
Well hurry hurry
its time to feed the penguins

Why does it take so long sometimes
Sometimes why does it take so long

Oh when you go somewhere
sometimes it isn't fair
You're so excited to think of all the fun
Are we nearly there
But if I had my way
we'd never travel this way
With just a swish and a wish
it would be done
Are we nearly there

Track 9

Cake making

We're busy making a cake
What do you need
What does it take
How about some flour
Water and milk
Crack in some eggs
Pour in sugar
Get a big wood spoon and stir it around
Stir stir stir it around
Stir stir stir it around
And stop
Ask a grown up to put it in the oven

and dance dance dance til the cake is done
yeah lets dance dance dance til our cake is done
we're gonna dance dance dance til the cake is done
just dance dance dance til the cake is done
and stop
ask a grown up to check it

and its done done done
our lovely cake is done
would you like like some
would you la like some
and if you help with the washing up
sometimes you can lick the bowl and spoon
cos there's not much we love more than cake making
oh no there's not much we love more than cake making
you see there's not much we love more than cake making

Track 10

Driving my car

I know lets go for a drive
I am walking down the pathway
Opening up the car door getting in and comfy
Now im checking in the mirror
Doing up the seatbelt
Yeah we'll put the keys in

Ready to start
Count to three
1, 2, 3
and vrrrm let's go

we're driving our car we're driving our car
we're driving our car we're driving our car
yeah we're driving our car we're driving our
car
we're driving our car we're driving our car

now I'm winding down the window
gonna let some air in feel the breeze a blowin
I can see a flashing light and I can hear a siren
I think it's a policeman

And stop a traffic light
Red, amber, green

And we're driving our car we're driving our car
we're driving our car we're driving our car
yeah we're driving our car we're driving our
car
we're driving our car we're driving our car

Ooh so many fascinating things for us to hear
and see
Look there's a cow field over there I bet
they'll be a moo or three
You can turn to your left
You can turn to your right
You can go straight ahead if you like

Oh oh somebody's in the way
Gonna have to beep them

And we're driving our car we're driving our car
we're driving our car we're driving our car
yeah we're driving our car we're driving our
car
we're driving our car we're driving our car
we're getting close to home
we're very nearly home
we're almost home
we're really nearly home
and we're there

Track 12

Snowman

We're off to build a snowman
Gather all the snowflakes up up up
A shining crystal covered carpet
Where small sausage dogs get sometimes
stuck stuck stuck

Black coal eyes and sweetcorn teeth
And an orange pointed carrot for a nose
Broomstick arms and a cowboy hat
Hair that's made from garden hose

We're off to build a snowman
Gather all the snowflakes up up up
A shining crystal covered carpet
Where small sausage dogs get sometimes
stuck stuck stuck

We're off to build a snowman
Gather all the snowflakes up up up
A shining crystal covered carpet
Where small sausage dogs get sometimes
stuck stuck stuck

Black coal eyes and sweetcorn teeth
And an orange pointed carrot for a nose
Broomstick arms and a cowboy hat
Hair that's made from garden hose

Black coal eyes and sweetcorn teeth
And an orange pointed carrot for a nose
Broomstick arms and a cowboy hat
Hair that's made from garden hose
