After Brett Lee, it's time for Shane Warne in 'Bollywood-style song'

By ANI | ANI - Sat 7 May, 2011

Melbourne, May 7 (ANI): Spin king Shane Warne is now set to become the second Australian player, after former teammate Brett Lee, to take part in a 'Bollywood-style song' released by Indian musician Arnie B.

Arnie B has released a song about the spin bowler, titled 'King of Spin', to coincide with the launch of Warne's clothing range on the subcontinent, reports the Courier Mail.

With lyrics including, "He's got the cool Aussie style, with the funky profile. You just follow the Twitter king," the Bollywood-style song even features Warne himself throwing in some cricket terminology, such as "howzat" and "caught and bowled."

Warne tweeted that the song was getting "played everywhere" in India, where he captains the Rajasthan Royals in the Indian Premier League. (ANI)
