SVGA

For over 30 years the Sun Valley Gallery Association has been an active leader in Sun Valley's visual arts community. Member galleries host nine gallery walks each year enticing thousands of visitors and locals with a variety of artwork from modern masters to contemporary groundbreakers.

Sun Valley is well known for its sophisticated art scene. Those who live and visit here have come to expect a high caliber of art from SVGA galleries. We proudly work hard to meet these expectations.

Guided Tours

We offer free tours to groups. Please contact: Carey Molter 208.726.5512.

Fourth Street Heritage Corridor

Each spring through fall, four blocks along Fourth Street in Ketchum are lined with sculptures from various galleries and juried by the Ketchum Arts Commission.

Gallery Walks

Each year SVGA hosts nine gallery walks which are eagerly anticipated and free to the public. Locals and visitors alike take in thought-provoking exhibitions of newly installed art, enjoy wine, mingle with friends and often meet the artists.
