

Dear: Share Fest SRLA

I would like to start off by saying thank you for this scholarship of improvement. This scholarship just topped off my whole SRLA experience which was a great experience that I would recommend to everyone. I will be using this money for the college that I will attend which is Cal. Forna State University of Long Beach. At Long Beach I am planning on majoring on Construction Management. This money will help me pay for books and all the other different costs that comes with going to college. I am extremely glad that you picked me for this scholarship and I would like to say Thank you again.

Thank you

Daniel S. Ibarra
