Dear Chad,

Thank you and Cornerstone Construction for the opportunity to design the "Extreme Make-Over" house for Tim and Kristina Ripatti. It was an incredible effort and spoke volumes of the giving nature and expertise of the South Bay Building Community.

The challenge to design a handicapped accessible house in a very short period of time was both formidable and rewarding. We appreciated the quick response time afforded to us by the Planning and Building Department of Redondo Beach. We are most grateful to Vic and Linda Braden at Cornerstone and the hundreds of subcontractors who so graciously volunteered their time in this enormous effort. Also, it was clear that the project would not have come to fruition without the supportive role of ShareFest.

It is my hope that the Ripatti family will enjoy their "miracle" home for a lifetime.

Sincerely,

Douglas J. Leach
