Dear Bryan, Chad, and Victory:

We are absolutely delighted with your generous donation of time, energy, talent, and resources. The ShareFest project last weekend was indeed a success. The staff very much appreciated the incredible amount of organization and coordination that took place throughout the District. If I received a dollar for every positive comment, email, and phone call that I have received in the last few days, I would be a wealthy man.

On behalf of the Board of Education, I sincerely thank you for your support and care.
